

### YOUR DECISION

***“You did fine. You will never go wrong when you consult Me on your decisions. I will protect and bless you, as long as you are in My will. You did well by stopping your own decision process this morning, and giving it to Me. I heard and I approved, with the condition of praise and thanksgiving that I requested of you.***

***It is for your own good spiritually that I ask you to do this, for you must not rely on yourself, but know that all blessings come from your God, and He wants to be a part of your life; for when He is with you—you prosper, and He wants peace and love to flow within you, as you appreciate what He does on your behalf.***

***For Him to do these things is not difficult, for He can set the stage in the spiritual realm outside of time; then pull the string and watch the toy spin. Providing that you do not interrupt the toy spinning by bad judgment and topple it by your own will, it keeps spinning exactly as the Lord planned.***

***Do you see how nice it is to be in your God’s plan? Doesn’t it feel right? Don’t you flow with reality better? Don’t things make more sense and require less effort? The answer to these questions is ‘yes’.***

***The Lord sees how perfectly a life flows through time, if it is in His will, and it is a beautiful thing to behold. No tears are shed, and peace and happiness are reflected in the Heavens; and the angel’s work is much easier. ‘Harmony’ is a good human word to express the state that you are in, when you are in the Will of God.***

***It is healthy spiritually and physically, and those who do not wear out their physical with sin and stress, live longer and happier as a general rule. Do you see this advantage of obeying your Father? He intends for you to be happy, and loves you greatly when you hinge your happiness on Him, and trust in Him to be your guide and protector.***

***When you do this your faith shines brightly, for even though you cannot see your Father working, by faith you know He is, and you know that He has your welfare at heart; so the outcome will always be harmonious, if you are in His will and give Him the respect that He is due...in all your life’s decisions.***

***Who better can you go to when you need advice and guidance? Rest in Him, and your life will be greatly blessed.***

***Do not forget to send Him your love, praise, and thanksgiving, for all that He does that is unseen—it is numerous and complex.***

***I grant you peace in this.”***
