

### THE POWER OF LOVE

***“You may do a little to help the Kingdom of God, by extending love to your neighbor and all that you come in contact with. By doing this, you will emulate the principles that God expounds, and spread the Word by your actions.***

***Do not extend the wrong kind of love however, that may be misunderstood by a pagan. Make your love a matter of kindness, respect, caring, helping, considering, imparting wisdom, and the like. Do not show foolish affection of a personal kind, for this would regularly be taken as human passion and would likely be exploited by the unbelievers, and perhaps many believers as well, who are a slave to sin.***

***If you rise in the spiritual, and leave the world to its own devices, you will see that this more wise form of love becomes more natural, and readily exercised. This type of love draws respect for the one giving it, and likely then would entice the recipient to pursue the basis and origin of such love, and then you will be at liberty to witness to a willing mind.***

***Many people are saved in this manner, and many hearts are changed and made more malleable for The Holy Spirit to work within in the future. One does not know the profound effects that a simple act of love can have on a willing recipient.***

***Conversely, if you are in contact with ones who are predisposed with evil and averse to God, perhaps even those who are haters or mockers of God, stay away...for your spirit will be tried in ways that you should not be exposed to. Just stay away and pray for them, that there would be a strong intervention and radical change—such that these souls would be provoked to reach out for God and be saved.***

***The more righteous you are, the more your prayer will change things in other people’s lives, if the request is in the Will of God; and you will be blessed with rewards in Heavenly places for your efforts and fruits of love.***

***Never stop loving here on Earth, for it is the substance that keeps areas and creations protected from Satan’s control. Love is power, and it overcomes evil. God is in the ‘Power Center of Love’ and He is Love, and Heaven is full of love; so be about your Father’s business and give love freely but in the correct form, for then your efforts will not be in vain.***

*Love heals, love helps, love holds up, love bonds, love raises up, love overcomes all manner of evil, love changes things; and this love can originate from you. As you perfect your love, you become a candidate for the Power Center of Love and for the Presence of God, which is the highest of all rewards.*

*Love combined with righteousness, holiness, and purity, are the keys to Heavenly Realms and the Heart of God. Start with love and pursue perfection, and you will grow such that you will be astounded and blessings will flow.*

*Take this wisdom with you always.”*
