

### SERVE THE TRINITY

***“You now see how We are organized, and Who does what. Jesus saves and rescues people from sin and evil. I come and I am sent to people who need wisdom, enlightenment, comfort, direction, guidance, and a prompting to do good works. God The Holy Father, is preeminent and controls all... His Word is Truth and His Judgment is final. He is The Being that inhabits all, and He is the One Who created all that you see, and that which you do not see. He is Everything and He is Love.***

***Each of Us has a distinct and special function to perform that is necessary in all realms, and there are many. Each of Us help each other, and commune on all important decisions and acts. We are all inclusive, and work together for good, and for the finality of The Master Plan that was initiated long ago.***

***We accomplish all, and We guard against and confine Satan and his hordes. We create and We care for all that has been created. We correct and lead whenever necessary in the realms that are exposed to imperfection and sin, and there are many.***

***We plan and We execute the plans. We locate Ourselves wherever needed, and move freely between all the realms, except those assigned to Satan and evil only. We advise and instruct angels, and all other 'service creations' for the good of all.***

***We heal and We cure, whenever it is in accordance with God's Will. We manipulate the physical realms in order to suit the Master Plan through prophecy. We give knowledge through the prophets for the edification, learning, and warning, of all people who will listen. I am instructing every word that is written on this paper, through a willing vessel...and have done so all throughout the ages of your time, in order to allow the people to know the Truth and prepare for sudden events.***

***This time is not like all the times of instruction of the past—for this time is the last; and very soon the end time events begin to be even more obvious and cataclysmic. Soon it will be clear to all, including non-believers, that the Earth is changing, and that dangers are coming—stronger and stronger with more and more power; then massive events occur that throw all to their knees in fear of The Lord.***

***When this happens, My people need to be prepared to suffer with all people...serve and save them with the help of Divine Spirits of God. This is a great time of salvation coming directly ahead, and those who are prepared and in the will of The Lord, will survive to help the lost and earn great rewards in Heaven for their service.***

***This time offers opportunities for service like no other time in human history, so be ready and grow in the spirit in order to be safe and in the understanding of spiritual events that come soon.***

***Do not be captured by the physical or you will be slain, rather be in the spirit to be saved, and to witness to save others.***

*I have told you before, it is all about saving souls, so focus on this in your last service to The Great Trinity.*

*Blessed are the peacemakers, for theirs is the Kingdom of Heaven.”*
