

**PEOPLE OF VARIOUS SORTS**

***“Well here you are again at the footstool of God, seeking answers to the questions that have vexed humanity for many generations. I thank you for coming, for I know you come not for yourself, but for the good and edification of all mankind so that they will believe and be saved.***

***Your heart is growing for your brothers and sisters, and that is a key to the heart and knowledge of God. He will bless humanity through you, so that many will see the Truth and be saved.***

***Praise and worship The Father, for He loves all and implores all to come to Him. Through His strength and power, you will be saved from sin, evil, the curse, and Satan and his hordes.***

***The knowledge that you seek is as such, at the time of the creation of man...God programmed into Adam and down the lineage, the ability of the body to generate different outcomes from specific input. This is built into the DNA, RNA, and varied other molecules throughout the body. When humans mate, their common characteristics are passed on to the new human; and depending on the input to the new human during procreation, various other combinations of genetic predispositions become predominant.***

***This is why you see such differences in people of varying areas of the world, because they tended to gather as a group as similarities emerged, and interbred making these characteristics even more dominant; and finally so distinct, that they recognized their group as a separate race.***

***As varying races interbreed today, you see this trend reverse as the gene pool becomes broader with more types of input. The beings that emerge from this type of breeding are more like the humans of long ago.***

***Bear in mind, that one being has no superiority over another in God’s eyes; but as humans are concerned, there can be differences bred that increase or decrease certain aspects of the human—but there can be no interconnection with any other species...for God forbade this when He created each.***

***For the humans that are predisposed to sin and evil, they have tried and will continue to try to breed differing species together; but there will be no success, and the ones responsible for this abhorrent behavior will be severely punished on Earth and in the afterlife.***

***You must respect the boundaries laid out by God, for all His creation is very carefully thought out, and any deviations from His plan are inferior and rift with compromises and failure. The symbiosis created into humanity should not be disturbed because souls are harmed by it, and sin is in it as well...it is considered an act of disobedience and God punishes all disobedience.***

***He must do this, because outside His Plan is only harm and failure in many different ways, and God wishes love, peace, happiness, and grace for all; and any disturbance of this cannot be tolerated, because it also sets the scales of perfection to an imbalanced state.***

***For poor humans to take such important matters of God's Mind into their own realm of choice, is to mock God...and this is a very serious sin that most never recover from.***

***Stay in God's plan...know it and live it."***

***Ruach HaKodesh***

—John Patmos

**And God said, Let Us make man in our image, after our likeness:** and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. **So God created man in his own image, in the image of God created he him; male and female created he them.** And God blessed them, and God said unto them, be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth. [Genesis 1: 26-28](#)

And God said, Let the earth bring forth grass, the herb yielding seed, and the fruit tree yielding fruit **after his kind**, whose seed is in itself, upon the earth: and it was so..... And God created great whales, and every living creature that moveth, which the waters brought forth abundantly, **after their kind**, and every winged fowl **after his kind**: and God saw that it was good. And God made the beast of the earth after his kind, and cattle **after their kind**, and every thing that creepeth upon the earth **after his kind**: and God saw that it was good. [Genesis 1: 11, 21, 25,](#)

**For there is no respect of persons with God.** [Romans 2: 11](#)

Be not deceived; **God is not mocked**: for whatsoever a man soweth, that shall he also reap. For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting. [Galatians 6: 7-8](#)

**It is he that sitteth upon the circle of the earth, and the inhabitants thereof are as grasshoppers; that stretcheth out the heavens as a curtain, and spreadeth them out as a tent to dwell in:** [Isaiah 44: 22](#)
