

MERCY IS WITH YOU

“Your mother has tried, but she is handicapped by her emotions. She sees through her eyes only, and does not readily accept wisdom from any source other than that she has preordained.

This causes her to only see and understand a portion of the Truth, and she will be judged as such. However, she will be held responsible for not allowing the true power of The Holy Spirit in her life, and she will suffer because she has read My strict instructions many times, yet has dismissed them as fairy tales that do not need to be heeded.

She believes that miracles can happen but denies them when they do, and she cannot accept that anyone can be more holy and merciful than she; and if she views someone who is holy, she thinks of reasons to tear them down to her level of perception of holiness.

Many people are guilty of this, for they strive to be the best and cannot accept their rightful place in the world, and cannot accept the gifts that they have received; so rather than extolling and edifying someone else, they disrespect them and drag them down for the sorry purpose of making them under the foot of the exploiter.

This is damage, this is gossip, and this is not love...so for the ones who have a form of love, yet abuse others with this negativity...they will be stripped of much of the credit that they would have gained by their love. The ones who know the Word well, yet put others under their feet will be judged accordingly, and will not be eligible for Heaven until all this anti-love behavior is fully paid in expiation in the realm of atonement.

None should put another under their foot excepting for the evil ones, and only God can say who these are. Humans are not to judge one another, but only love and edify. The judging belongs to God alone. Humans should recognize sin and flee from the very appearance of it, yet not condemn the one who is sinning; for if it were not for the grace of God, the condemner might have been put in the very same situation, and be riddled with sin with little hope of redemption.

Thank God continuously for your mercies, for they are new every day; and do not act unrighteously, for God will quickly remove His Hand of mercy from you and you will feel the breath of Satan on your neck, for God will not restrain him when you are disobedient.

God is no respecter of persons, so who are you to be? Meditate on this and change your spirit of condemnation, and harness your spirit of judgment; for these and all other sins will be paid in the correct amount, and penance will be done...or you will have no hope of Heaven.

These are stern words, but you must know them and abide by all the Words of God, and above all...love.

Grow in the spirit.”

—John Patmos

Judge not, that ye be not judged. For with what judgment ye judge, ye shall be judged: and with what measure ye mete, it shall be measured to you again. And why beholdest thou the mote that is in thy brother's eye, but considerest not the beam that is in thine own eye? Or how wilt thou say to thy brother, let me pull out the mote out of thine eye; and, behold, a beam is in thine own eye? Thou hypocrite, first cast out the beam out of thine own eye; and then shalt thou see clearly to cast out the mote out of thy brother's eye. [Matthew 7: 1-5](#)
