

**BE AND KNOW TRUTH**

*“Evil is all around you but mostly you do not see it, for most of it is in the hearts and minds of men. All people have the sin-weakness, but few act it out overtly, and when they do, you can point to it and call it evil. But then those who are evil by God’s Laws, are not considered to be evil by their ‘new vision’ that modern man has; for in their delusion...most that is not in agreement with God’s Laws is in agreement with the laws of their minds.*

*With modern man there is little that is outside the scope of what they deem to be acceptable and appropriate, but as you equate these with the Old Covenant and New Covenant Laws, they are abhorrent and unacceptable. The modern man retorts; “Unacceptable to whom, and what does it matter, for I am a sovereign being and my life is under my supervision and control.”*

*This mentality is the absolute height of short-sightedness and foolishness; for by acquiring this mindset, the being completely ignores the reality that is far more predominant than the physical one in which humans live—the ‘eternal spiritual’. For man may have some control over some aspects of their short lives while on the Earth, very little truly is in their control, and if they would exercise their sixth sense, ‘spiritual touch’, they would know this.*

*Then after the short testing period on Earth, the extended period of eternity continues as humans adopt a new form. They still have the cognitive that came from birth, but the soul and physical are changed; for the soul no longer must maintain the cohesive match to the earthly physical and the physical will be changed, depending on the eternal destination—whether it be the Heavenly Realms, Purgatory, the punitive realms, or the realms of Hell.*

*The physical will always experience pain and pleasure, so for today’s humans to think that when they step into the grave, that it is all over is folly. The physical and mental awareness continues forever, for God did not create humans to be finite beings...their components live on forever, in bliss, in learning, in penance, or in pain.*

*Wisdom suggests that these truths not be ignored, for in doing such the human is doomed by its short term of authority while here on the Earth; and this blind tradeoff is a deal that Satan applauds as he howls with delight, as he gathers another to his torture chambers. He does not want for you to believe that your lives are like a vapor and that nothing matters but today, for as long as you adhere to this belief, he has complete control over you now, and in eternity.*

*When he avails against you, is when you begin to wake up out of the stupor that he has imposed upon you, to keep you daily looking for pleasure and human gains, with no thought of things that are righteous. If you begin to see the Truth, you must pray consistently for protection by your angels,*

*through God; for Satan will come against you like a whirlwind until you regain holiness, righteousness, and purity; then you have complete protection from God—unless you fall. But as you learn about the wonders and goodness of God you will have no desire to return to the dark swamp of evil and sin, and God will always be there in one form or another at your beck and call.*

*Climb the spiritual ladder to God and be not deceived, for at the end of the path of deception is an eternity of pain and sorrow.*

*This wisdom is yours.”*
