

08-20-2019 A Message from: **The Holy Spirit**

THE FUTURE

"You will have a message today about the future. All people wish to know just what is in their future, as if it will always be something good that they will want to hear, or some insider type secret that they can leverage for their own advantage. Theater about the future has been very popular, as people like to imagine and wonder and speculate on what the future will look like.

It is human nature to be curious and pursue answers, and some 'still' feel the strong drive to know the truth, although Satan has effectively taken this aspect of the imagination away so that his prisoners do not see the whole Truth. For in seeing the Truth they would flee from him and all that is related to him in any way.

In pursuing Truth, people would be pursuing God, for God is in all and God is all to all. In wondering and looking for answers, essentially what one is doing is reaching for God; for as you discover answers to complex and even simple realities, you are discovering God...God's creations in the world, and God's creations and Plan outside the world as well.

Discovery is always a step closer to God unless one interprets the data in a convoluted way, or with an evil purpose, or a hidden agenda, such as the devil has for your eternity. Truth in discovery will always lead to God, and falsehood in discovery may lead to Satan; so always put all knowledge in the purview of the Word of God and it will be a perfect fit.

Now about the future...I have told you many times in these sequences of messages that time on Earth is nearly run out and that there is just a few precious years left, and that they will not be easy nor pleasant as the last days cleansing events occur. But for those who are striving to be acceptable to God, while pursuing righteousness, holiness, and purity, these will have peace throughout all that is to come.

I am not saying that there will not be pain, fear, and turmoil; rather I am saying that the peace that comes from God defies all understanding. It is like a 'knowing' that even though all is falling down around you, that you still will be unscathed and in God's care, and this is the greatest security of all.

This peace also comes with a knowing that the human body is only a tent for the soul and spirit, and that it is inevitable for the tent to come down; and when that happens that God will be there for you in mercy and love to help you through the last moments of life. This is security in knowing that death need not be feared, if you are in the Mercy of God.

Peace also comes in knowing that the existence in Heaven is far, far better than the existence on the cursed Earth; and if one is properly saved, forgiven, repented up to the moment, and has expiated for all sins after salvation, the destination directly ahead is the greatest and most treasured prize. This is the

peace that you get from God, for God is Love; and that Love can run through every cell in your body as you live out the short period of time ahead—then you go to your reward.

Be sure however, that you are not disappointed after your death here on Earth, for most humans living today do not understand even the basics of what is required to move directly from Earth to Heaven—and most understand so poorly that they are in jeopardy of Hell.

So read all these messages given to mankind through this vessel, and read them well. Integrate all the knowledge into your life, and live it seriously, and earnestly, and you will be saved. This is peace.

I have given these messages here for your salvation, do not let them pass you by.

My peace I give to you.”

For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be. And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened. [Matthew 24:21](#)

But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him.
