

**BLESSINGS**

***“Be thou not prone to wonderment about the world and what it has to offer, for it has only temporal things that do you no good in the eternal setting. You need sustenance while on the Earth, but you need great stature in holiness for your eternity, and this needs to be gotten while you live out your short time on Earth.***

***Holiness and righteousness are the currencies of Heaven, and love is the wealth that you will have in your eternal existence. If you have these, all that which is material on Earth that is good you will have in Heaven, only many many times over—the heights of which you cannot fathom.***

***This does not mean that you should subscribe to a life of poverty while on Earth, for this would dispel the reality of the wonderful blessings that are bestowed on the obedient, and the pure children of God. God has richly blessed many good souls while they were on Earth, and some have physical and material wealth far above the average ‘rich’ person.***

***These who know that they have been richly blessed by The Father, are obedient to share this wealth with those in need, both spiritually and materially. As a blessed person shares their blessings with those who truly need God’s Mercy, they are replenished in their gift and blessed with much more. This is just how God’s blessings work—for this day, and for all ages past.***

***This is also how it works in Heaven, for there will always be souls in lesser realms who are truly striving to be closer to God; and your prayers while in Heaven will intercede just as your prayers do here on Earth. So be generous with the little that you have even unto your prayers, and as well with tremendous wealth if you have been so blessed; for then you will rise in the spirit and become closer to your Creator, and this is the ultimate goal for all creation now, and for all eternity.***

***Your Father honors all intentions and all efforts to draw closer to Him, and He will never disappoint. Try with an earnest heart to reach out to God, really reaching out in humility and love—He will not leave you wondering. There will always be a miraculous event in the life of the true seeker, if the seeker’s heart is right and true. God made you and He knows all about you, and He surrounds you and protects you with love when you are in His mercy and grace.***

***Try this, and you will see the Perfection of your Father. This is how many are saved, and some through crisis, reaching out for God in their desperation. He hears, but His graces really flow when one comes to Him just out of love, not needing anything, nor in crisis...just out of love.***

*This is when the realms open and grace flows through, and nothing can stop it...for God is the controller of all, all except your will; so open your heart and align your will to The Father, and open the flood gates of love and blessings for you, and your loved ones. You will be eternally grateful that you did.*

*I urge you to fall to your knees, and reach out for your Father. He will be faithful to receive you.*

*Love also from,*

*Ruach HaKodesh”*
