

### THE BATTLE CRY

***“Waging war with the enemy has never been easy for My saints and saved, but I give power and support whenever necessary to attain victory, when My people are completely In Me. Look at all the biblical examples of people in and out of My grace, and you will see that whenever a society was obedient and seeking My Face, they had peace and prospered; and when they needed to defend their interests, I was there with them in battle as they triumphed.***

***The same is true in modern times, for when evil societies come against the holy, the holy triumphed in time. Many times, the powers and principalities were very strong, especially in some areas of the world where strongholds have been propagated for many years; but these too have been broken by much prayer, righteousness, and fasting.***

***Today you see a different world...sin is rampant, evil is confused with good, most people have little or no moral base, and Satan has been unleashed to a degree that has never been heretofore allowed. So the wars now are on a smaller scale such as one group against another, one individual battling with evil individuals in prayer and calling angels to battle demons, and spiritual battles in other realms that are fostered by strong prayers of the righteous.***

***Countries no longer come against one another for righteous reasons, for there is no longer any righteous country on the face of the Earth. Some countries have significant numbers of believers, and some even fervent in their beliefs and faith; but there is no longer a country that can call itself Christian. So God works individually now with those who love Him—these are His ‘Soldiers of the End Times’, and most already know of their marching orders and what to expect directly ahead, for God through the ‘New Times Prophets’ has elucidated this end of the era.***

***Each soldier knows what his or her function will be, and those righteous who do not yet know, will soon. The objective of this last battle is clear...to save souls and impart knowledge of God and His Word; for if one believes in God, and accepts His Son as a sacrifice for their sins, they will be saved.***

***As these last days unfold people will fear and flee, and they will be searching for answers to the questions brought about by the times of destruction that bring about perplexity; and they will know that there are powerful supernatural forces behind all that will happen, and those who still have the capabilities of objective reason will grasp for answers. This is where My soldiers come to force, and this need that My creations have will be met by My loyal soldiers and many will be saved.***

***For those unfortunate souls that have completely sold out to Satan, and those who are completely overcome by evil and self-idolatry, they will not listen and their destruction will be clear. These poor***

*souls in their delusion, do not see the infinite structure of all in the universe and are blinded by pride and many other sins, and their condition cannot be broken other than by powerful casting out of the demons that are willfully invited by the errant souls. I have soldiers who have this power, and even though their duty is the most difficult they are being schooled up for the fight, and they will have triumphs, but the battle will be fierce until the End.*

*Know this—My end time soldiers will have a special place in Heaven, and all who are martyred for My cause will have a guarantee of Heavenly Realms.*

*Gird up for the battle for it marches forth, almost to the sounding of swords and shields.*

*Be vigilant in your faith and mighty in your belief.”*

**This know also, that in the last days perilous times shall come.** For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good,

**For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.** Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand.

And upon her forehead was a name written, **Mystery, Babylon the Great,** the Mother of harlots and abominations of the earth. And I saw the woman drunken with the blood of the saints, and with **the blood of the martyrs of Jesus:** [Revelation 17:5](#)
