

### **EVIL IS WEAKNESS**

***“Does sin appear to be the most powerful force in the universe, because it seems to have taken the Earth and its inhabitants? Do you look at evil and powerful people, and see them as an example of sin triumphing? Do you see those who are good, put under the foot of those who are evil? Does this indicate to you that evil must be the force to identify with, since it seems to dominate all else?”***

***If your view is from the cursed world—Earth, then reality would appear to support this mistaken notion; but if your view were from anywhere else in all the universes, it would be diametrically opposed. God is love, truth, mercy, and grace; but God is so powerful that He could destroy Satan, Hell, and all sin...by uttering just one Word. If it were not for the Covenant with Satan and the Earth, this would have been done long ago.***

***Now that the Covenant promise is nearing an end, you will see many changes in the Earth and in the other realms relative to the physical realm on the Earth. Satan is very powerful but only because God created him as such, yet he is limited by what God allows and does not allow; and on the Earth, Satan has dominion because God allowed it. But this will not stand, and the major changes are nearing the threshold of time on the Earth.***

***Evil saddens the Heart of God grievously, and all saints, and holy spirits call for the end of it; but God in His Integrity, will honor His Covenant to the end, then all good and pure aspects of God’s creations will stand and will not be influenced by evil again...except for a very short time at the end of the Millennium.***

***So you who look to be on the side of might, and you who want to have power over the elements, do not be fooled by the current state of events on the Earth, for your power will come and always has come from God. He is the source of all power, and He lives in the Power Center of Love, and nothing can come against it.***

***If you side with evil you will ultimately be rendered completely helpless, and you will be exploited mercilessly by creatures that you would have scoffed at during your testing phase, while on Earth; yet you will have no power to even lift a finger against them, for you will be in their realm, outside the Covenant, and with no covering from God. Believe this, for it is***

*eternally true, and you do not want your lack of discretion that affects you now to affect your eternal existence.*

*Evil indeed is real, and it has a fascination to the prurient aspiration of the weakest part of man—his flesh. But do not allow the weakest part of you to rule and determine your eternal future, rather rise up in the spiritual and allow the strength that comes from this to rule you; and in exercising your power in the spirit, you will succeed in conquering sin in your life, and you will put up treasures in Heaven that will be waiting there for you as you transition from this physical realm.*

*So do not be short sighted, but be eternally minded and exercise your power over evil.*

*I bless your power in love.”*
