

### **YOUR PLAN**

***“Not only were you given the opportunity to receive a glorified body for properly serving God while on Earth, you were sent with a plan...a specific plan for your human life for the edification of God and man.***

***In knowing the terrible state of the Earth, God fixed a plan in each spirit prior to human birth, and the human was charged to carry this plan out for the salvation and betterment of all mankind. Each being had detailed instructions on how to live and what to do and when, and had all beings chose by their free will to follow this plan, the world would be a completely different place and Satan and the Curse would be largely mitigated.***

***If all individuals would get in touch with their sixth sense and follow it closely as it leads, all would find their way back to the original Plan that God had for their lives. Everyone has a Plan, and all can find it simply by reaching out to God with a pure heart, and pure intentions, and a burning desire to always be in His Will. He will never turn you away if you come to Him as such, and He will help you find your way back to His Plan for your life.***

***Sadly, few are living God's Plan for them, and most have succumbed to sin and the lurid pleasures of the world, thereby making their sixth sense dull and inactive and unable to render any wisdom and guidance to the being. Oh, it is so sad when humans fail to live as God ordains and wallow in filth and sin, and damage themselves to the point—often of no return.***

***Pray, and pray in the spirit to be taught how to seek and find your sixth sense, 'spiritual touch'—for without it being active in you, you will find the requirements of God to be elusive and difficult to maintain. To live in 'spiritual touch' is to feel, realize, and embrace the Holy Realms, and to be immersed in it leads to assimilation with holiness, righteousness, and purity, and these lead to Heaven.***

***To be out of your plan for your life is a sin of omission, with resonating effects that are extremely profound; for had you been in your Holy Plan from your youth, many circumstances on Earth would have been different, and many lives would have been touched in very important ways; and indeed, many souls would have been saved by your life's touch.***

***By denying God the ability to work through you, you deny yourself the opportunity to lay up many treasures in Heaven, and you lose significant glory as well. So, if you are not completely sure that your life is executing God's Plan for you...repent, be forgiven, expiate with assigned penance, and implore God to reveal to you exactly what your plan is, so that you will no longer be in sin and out of His Divine Will for you.***

***God has a Master Plan for all, even this cursed world; and He has a Plan set out for all in it. Embrace God, and embrace your Plan, and live it faithfully and you will see the miracles that you were to see since your childhood. It is never too late to begin, and God will reward and bless your obedience.***

***Be a part of God, and 'be your Plan'. Many will love you, and many will be led to God.***

***Wisdom again, is here for those who have ears to hear."***
