

09-18-2019 A Message from: **The Holy Spirit**

THE BATTLE HAS COME TO YOU

“You are correct, every soul is precious, and every life that I give is precious; not just precious to you, but to thousands of saints, many spirits, the Holy Mother, Jesus The Christ, to The Father God, and of course to Me.

I see all these spirits, (lives) prior to their coming to Earth; I see them being born, and I see them throughout their physical lives on Earth, and I see where they go after physical death. I helped in the creation of many, and loved them, and had a great affinity for them. I was involved in their selection when asked if they wanted to go to the Earth, and I gave them knowledge of the perils and rewards.

I did not spare the details; every spirit knew what they would encounter, and what the costs were for failure. These were graceful and wonderful spirits, happy to be with all who were in that realm of Heaven, and they all loved freely, and could not see how failure while on Earth would be so threatening...though I gave them many details and examples. For the wonderful prize however—for only a few short years on Earth, very few chose not to go.

What they did not allow for, was how dominant the curse was, and how deceiving that Satan and his hordes are, and how their spirits would be recessive to the physical; and only a few carried their innate spiritual strength with them as the dominant power in their lives.

So I look and see the change on these precious spirits, (these lives that were designed, conceived, and blessed by God, and how they are being fooled and corrupted) and I scream to them in the spirit realm, but few can hear—for My voice must come through as ‘still and small’ in order to abide by The Covenant; and the being must choose to hear, they cannot be forced to hear; and the being must freely love, they cannot be forced to love.

So on goes time on Earth, and many do not hear My Voice and do not hearken to My Call. For if the spirit in these would rise up, and choose to live as a spirit, and deny the vulgar existence of the flesh... they would hear, and I would commune with them and they with Me, and they would be saved. I am constantly throwing out the life preserver to those desperately drowning in sin; but few see it, for they are blinded by sin.

Your sixth sense, ‘spiritual touch’ is the answer. You must attend to it and foster its growth over the flesh—for this was your challenge when you were sent to the Earth; but since the memory of it was struck from your memory (the physical memory) prior to being sent to Earth, now you must exercise your will against all enticements of man, and promulgate the growth in the spirit.

Live in your 'spiritual touch' and you will find yourself gravitating not to sin, but away from sin to righteousness; and this is what you envisioned doing prior to your descent to the cursed planet. Just get back to your spiritual roots, and acknowledge that this part of you should be dominant and not recessive; and as you realize this more and more, you will see and feel the power of God descend upon you, and you will rise to meet Him.

Your power and your eternity are predicated upon your success in overcoming the world; this is something that you must do. The Earth is not now, nor has it been for a very long time, a place where beings could exist as in a sanctuary; rather, it is a harsh prison with cruel masters who want to corrupt you, thereby causing you to fail in God's Plan, and thus capture you for all eternity.

You My child, are in a battleground for your soul. Recognize it, and live as if it is the only eternal thing worth recognizing. You must overcome the world, the curse, and Satan.

Be diligent, for there are no paths to Heaven for the passive ones.

Be encouraged, for The God of all Power is with you."

That the righteousness of the law might be fulfilled in us, who walk not after the flesh, **but after the Spirit**. For they that are after the flesh do mind the things of the flesh; but they that are **after the Spirit** the things of the Spirit. For to be carnally minded is death; but **to be spiritually minded is life** and peace.
