

READ PROPHECY

“Survivalists, that is what they will call you, but in reality you are simply obedient children of God. You have heard His call to store up for the Calamity, and you have moved to do just that. You have done this, not knowing if death at the beginning or end of the Tribulation would be preferable personally; rather, just because you know that The Lord has a plan for you, and part of that plan is to stay alive and help in the effort to bring many to salvation when the terrible events begin to occur.

This is a great sacrifice, to give of your life for others; and this is the greatest form of love, and this illustrates that you highly value your relationship with God and you want to be a part of His Plan for all mankind, in these last days of the Earth and the Curse.

You know that the time to come will be very difficult, and that you will not have the luxuries nor the necessities that all take for granted now; and that others will depend on you for their very existence, and you have accepted this. You know that you will be hated by Satan’s followers, and that you will be maligned for your faith in God—but you also know how it ends.

As the Curse is removed from the Earth, Satan will go with it; and all who have not taken the Mark of the Beast and who have faith in God will be under the covering of God, and He will protect and guide you to whatever end that He desires for you, in His Divine Mercy. You will receive your reward for diligence in your faith, and for your obedience in service, and your path will be defined by God.

For those who have trusted in the world, and in the flesh—they will perish during the Calamity and the Time of Trouble, and their fate will be sealed. God will save all who are willing, but those who are not, cannot be forced to obey God; they must choose to trust and love God of their own free will. That is just the way that the Curse works: you may choose your salvation or destruction.

In this last-days preparation time, I implore you to study God’s Word, and pay special attention to the prophetic books in both the Old and New Testaments. These prophetic utterances are spoken for today, and the prophets, if they were writing this to you today, would tell you to ‘watch and see’ for the time of fruition is now, and that all the end-days actions that are prophesied are directly ahead of you.

Keep your spiritual eyes open, for this is the only way that you will see your way through what is to come. Pray for knowledge and wisdom, and follow it without deviation.

Many state that man’s activities are causing climate change, and that the situation appears to be critical; but I will tell you that a very small amount of climate change is being caused by the ignition of fossil fuels, but the true climate change is, and will continue to come as a result of the events predicted in the prophecies. You read that these events occur as if birth pains of a woman near the birthing of her child, and as the birth pains get more and more severe, and closer in duration, you will see the Earth wobble on its axis, and you will see great devastation as the ultimate end comes into view.

Satan must have an explanation for these events that does not lead to God but rather leads away from God, and creates animosity among men, for this creates sin and more bondage to him. His master plan is to confuse and capture you for all eternity, and this is just another part of his deception. Do not fall for his lies.

Study to be approved."

(‘This generation’ as spoken in Matthew 24:32, possibly is the generation that witnessed Israel becoming a nation in a day, which happened in May 14, 1948. This event could also be the fig Tree blossoming in Matthew 24:3.)
