

**HANG IN THERE**

***“You did well by quickly acknowledging your error and correcting it. Any teaching other than My Word must be proven by the Prophets, and the anointed ones that I have appointed. Even the heads of many churches cannot transcribe truth; but there have been many in the past, and some have sainthood, and there are many in the present who have My seal upon them, and the Holy Spirit is strong within them. You are one who is learning well, and who will be a great tool for My Plan in the years ahead. Continue to focus on growing in the spirit, and allowing your sixth sense to flourish, such that it functions as an integral part of your other five.***

***Do not allow the world or Satan’s messengers to weaken your faith, or initiate doubts about anything that I have said in these letters; for they are all true and you may rely on every Word. The only thing that I will not tell you is exactly when all these future events will occur...and I have told you why; but I will prepare you and all who read these letters so that none will fall prey to Satan. These letters and My Word are all that a human soul needs for salvation, and I have spelled out the details in these letters such that I have never done before in all My Word...but the time of the end is looming quickly and I wish to save as many as will hear.***

***Keep in the faith and go deeply into My Word and let it live within you; just as your cells regenerate themselves in the healing process, let My Word heal your spirit and soul. You will be lifted up and made strong, much stronger than the world and the messengers of the evil one; for you as an obedient servant, will have the gift of domination over demons—and even to their destruction if they are outside the legal boundaries of the Covenant.***

***Only My Word will give you the legal guidelines by which you will know if a demon has crossed the line, and when you learn this, and I know that you know some aspects of My Law now—you will be fully equipped to cause its sudden destruction.***

***When one of these demons is destroyed it goes completely out of existence, and Satan loses one of his valuable tools, so it is a great loss; for he cannot create another with the same power, for most of his demons were the fallen ones that I created yet who sided with the loser***

***Satan. Their power is great, but they are limited by a very strict set of rules that spring from the Covenant, and if they breach their positions and are caught by the righteous, they can be destroyed; otherwise they will exist for eternity, yet in the fiery abyss with Satan after the destruction of the Earth.***

***They have access to a number of realms now, including yours, but after the Earth's destruction they will be in one realm—and that of Hell. Although there are many levels of Hell, there is only one realm; for I will never again allow them to roam free to do damage to all creation. They have proven to be evil, and evil non-repentant, and their fate is sealed.***

***Be patient only for a short while longer, and you will not be bothered by them again. Those in the Millennium will experience a short bout with them, but this is necessary for the final proving of these souls who have been given another chance to perfect themselves—for those who die now in a state of righteousness, holiness, and purity, will never have to deal with evil again.***

***Take heart, for My Word is true.”***

Beloved, **believe not every spirit, but try the spirits whether they are of God:** because many false prophets are gone out into the world. **Hereby know ye the Spirit of God: Every spirit that confesseth that Jesus Christ is come in the flesh is of God:** And every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is that spirit of antichrist, whereof ye have heard that it should come; and even now already is it in the world.
