

YOU ARE A VERY SPECIAL BEING

“My Word will not return void, and any Word that I send out will accomplish its purpose. These purposes may be small, or they may be great in scope, but the only thing that will stand in the way of full accomplishment is the human will and evil intervention.

When My Word is presented to a person, that person may acknowledge it as Truth, or they may dismiss it; but I will continue to knock at the door of their heart for all the days of their life, in an attempt to extricate them from doubt and disbelief. Unless The Holy Spirit is grieved to the point of permanently abandoning a person, My promptings will continue until that person takes their last breath. I do not give up on anyone ever—My Spirit is always there calling the person to come back to the true life with God.

Humans have a difficult time accepting anything that they cannot see, and many do not even trust their eyes when they see the workings of God; it is like an aversion to the supernatural that if not acknowledged, threatens a person’s control of their life and the events that they participate in. It is also like a sacred routine that one has set for their own personal security that cannot be breached by some huge overwhelming power that turns their life upside down; it is security in the mundane, giving little import to human life.

On the contrary, God has made humans with many more capabilities than most imagine or utilize. The most significant is the sixth sense ‘spiritual touch’, and it is the sense that opens all the others to the more wondrous; it is the one that opens the eyes to view miracles in the physical realm on Earth; it is the one that enables the person to realize much more than they have previously simply through the other five senses; it is the one that allows the person to rise above the physical and commune with God. Thus you might say that it is the most important sense of the six, yet it is the one least utilized.

To be in the world—as worldly, is to focus only on the five physical senses; and the false teachers of the world would have you blinded in this fashion, for then you fail to realize your worth to God, and your spiritual potential; and you are subdued by the physical to live a life unexcellent which goes diametrically opposed to the command of God that says, “Be ye perfect even as I am perfect”.

To attain this perfection one must perfect the spirit not the physical, for focusing only on the physical is idolatry and not in the Will of God. Rather, one must rely heavily on their sixth sense of spiritual touch, to attain this perfection that God speaks of.

The second word in this sense is 'touch', and it is truly a touch as one reaches out in the spirit to the realm of the spirit, and sees and experiences the miracles in the spiritual realm. As one manifests in this realm, one sees miraculous things that one in the physical misses simply because they do not have 'eyes to see'. Being in the spiritual touch opens the spiritual eyes to see—even the spirit of Jesus...and to hear the soft words of The Holy Spirit...and to experience the profound love of God. These are all around you in the physical but cannot be accessed other than by the spiritual, and they edify and lift up the human spirit out of the mundane to higher levels of communion with God.....and a much higher respect of oneself and their capabilities, and their life which truly has significant worth to God.

You are a very special being with great eternal capabilities. Move to your 'spiritual touch' and begin to grow to God.

Love and blessings,

Ruach HaKodesh”

—John Patmos

So shall my word be that goeth forth out of my mouth: but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it. [Isaiah 55:11](#)

Therefore **you are to be perfect**, as your heavenly Father is perfect. [Matthew 5:48](#)

That the righteousness of the law might be fulfilled in us, who walk not after the flesh, but after the Spirit. For they that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit. **For to be carnally minded is death; but to be spiritually minded is life and peace.** Because the carnal mind is enmity against God: for it is not subject to the law of God, neither indeed can be. So then they that are in the flesh cannot please God. [Romans 8:4-8](#)

Therefore speak I to them in parables: because they seeing see not; and hearing they hear not, neither do they understand. And in them is fulfilled the prophecy of Esaias, which saith, By hearing ye shall hear, and shall not understand; and seeing ye shall see, and shall not perceive: For **this people's heart is waxed gross, and their ears are dull of hearing, and their eyes they have closed;** lest at any time they should see with their eyes, and hear with their ears, and should understand with their heart, and should be converted, and I should heal them. But blessed are your eyes, for they see: and your ears, for they hear.
