

**PRAISE AND LOVE**

***“Praise is a necessary component of worship and of prayer and of communion with God. It is not that God needs praise or that He wants to put His creations in a subservient position while reaching out to Him, rather praise is an ingredient in communion that edifies God, and He returns edification to you in many forms as well such as blessings, grace, and mercy.***

***This is His way of praising you and the things that you do for His Kingdom and His Plan, for He cannot praise the creation for its magnificence, for the creation is not magnificent as compared to God. He praises you by breathing His Breath of Life into you, then sustaining you throughout your earthly life while giving you the opportunity to live in His Kingdom forever.***

***Mercy to humans, grace to humans, and love to humans, is praise from the Deity...and the opportunity given to grow to be like God for an eternity is edification that you will never tire of. You as a limited being cannot give these high things to God, for you do not have the capacity to translate these to the Supreme Being, and they would fall lifeless on the ground at the Feet of the Father; however, when you give Him praise from your heart, He hears, He responds in kind, and He loves you for it.***

***This is the greatest gift that you can give to God as you rise above the physical and material reality, for these precious gifts from your heart are magnified as they travel to the Throne, based on the depth of the spiritual emotion and love that send the praise away. Some very strong praise is even aided and magnified by The Holy Spirit as He intercedes for you, in knowing your heart and how much it means to you to praise your Creator.***

***This is love and it communes with the ‘Power Center of Love’ in Heaven, and since God is Love, it strikes communion with Him as well. Praise is one of the ways that humans can show holy love, and in the same way that a sincere parent would praise their child with their whole heart, so it is with the praise lifted up to God; and if this is done with frequency you will see your life enriched and blessed in ways that you had never planned for—and in ways that you had not the courage to dream for, because your Father knows every thought that you have and indeed every cell in your body; so He knows how to bless you and He takes great pleasure and love in doing so. When you have nothing else to pray for and no other serious concerns to give to The Father...just send Him praise and it will not return void.***

*Praise also shows The Father that you are willing to share yourself with Him and He loves this...even your daily activities and thoughts; this is intimacy and this is an appropriate relationship between a Father and His child—and in doing this, you may think that these conversations will be all one way, but rise in the spirit and be aware of all around you, and you will see miracles, for God will not contain His Love when He is having your love poured out on Him consistently. You have heard that you cannot out give God, well prove this to yourself and put your head on the chest of Your Father, and love Him as a righteous child and He will bless you richly.*

*Love is what the Creation is all about—so share yours with God, and with His other creations as well; and you will be synchronous with every atom of all creation around you no matter where you go.*

*Love is the ultimate power.”*

**Enter into his gates with thanksgiving, and into his courts with praise:** be thankful unto him, and bless his name. For the Lord is good; his mercy is everlasting; and his truth endureth to all generations.

[Psalm 100: 4-5](#)

By him therefore **let us offer the sacrifice of praise to God continually**, that is, the fruit of our lips giving thanks to his name. But to do good and to communicate forget not: for with such sacrifices God is well pleased. [Hebrews 13: 15-16](#)

**O come, let us sing unto the Lord: let us make a joyful noise to the rock of our salvation.**

Let us come before his presence with thanksgiving, and make a joyful noise unto him with psalms. For the Lord is a great God, and a great King above all gods. In his hand are the deep places of the earth: the strength of the hills is his also. The sea is his, and he made it: and his hands formed the dry land. O come, let us worship and bow down: let us kneel before the Lord our maker. For he is our God; and we are the people of his pasture, and the sheep of his hand. [Psalm 95: 1-7](#)

And we have known and believed the love that God hath to us. **God is love;** and he that dwelleth in love dwelleth in God, and God in him. [1 John 4:16](#)
