

### APPROACH THE SPIRITUAL

***“How can the ones that I call know that they have been called, and how will they know what I have called them for? They need to be in their sixth sense ‘spiritual touch’ to experience the presence of The Lord, and to hear His instructions to them. There is a great divide between the physical and spiritual realms, and the only way for humans to breach this divide, is to rise in the spiritual and have their spiritual eyes wide open and their spiritual ears tuned to the Voice of God.***

***When one is truly trying to cross the divide between the two realms, God will assist and make the spiritual as real as the physical to the viewer. To be protected and properly guided in the very near future, one must be in touch with the spiritual...but not the evil spiritual, for any contact with this could leave one possessed with a demon and owing much expiation for sin.***

***Insure that your pursuit of the righteous spiritual is clear and pure—and that your intentions are expressed to God in a way that none could mistake. Pray also for protection, for the spiritual realm is complex and foreign to one who has not had contact with it, and it is necessary to approach it with caution and in a spirit of righteousness, holiness, and purity; for if the heart is not pure, the spiritual realm will not be attainable either now while on Earth, or in the afterlife.***

***You ask if the evil spiritual realm is real and lives among you. Yes indeed it does, and many suffer in these realms, locked out of the realms of life, relegated to realms of death that cannot be escaped until the end of time. As with all souls at the end of time, these poor souls will be judged and sent to the appropriate final realm for eternal living, or what some call never ending death. Do not touch or associate with these realms of evil as they cross into the human physical realm, for the scars left from willful participation will be very difficult to expiate, and there is a real risk of demon possession which can do eternal damage.***

***Any activity done with the spiritual realms must be done in holiness and Godliness, invoking God at all stages of the meeting....then one remains safe. Also, if one believes that he has heard the Word of The Lord—test the spirits with this question, ‘Is Jesus The Christ and The Son of God, did He come to Earth for the salvation of mankind, was He crucified, and did He rise on the third day, and is He now seated on the throne at the Right Hand of The Father?’***

***No demon can answer this question in the positive—for if it does, it has broken The Covenant and is exposed to sudden destruction by any saint requesting it. Further, demon voices have characteristics that do not exhibit peace and holiness. No matter how hard they try to mask their voices stained by all types of terrible sin, they cannot emit a voice of peace and holiness. Discern this, and always have a keen ear to hear and always be in a state of righteousness; for when you are, you easily discern the evil and mocking tones in the demon’s voices, for they are who they are and they cannot change...their fate is sealed.***

***There will be more and more good people called to My work in the near future and they will therefore need to be in ‘spiritual touch’, so focus on developing your sixth sense and live in it as much as you can and you will not miss your calling.***

***Be diligent about your Father’s work and you will be blessed.”***

If we **live** in the Spirit, let us also **walk in the Spirit**. [Galatians 5:25](#)

For if you live according to the flesh, you shall die: but if **by the Spirit** you mortify the deeds of the flesh, you shall live. For whosoever are led by the Spirit of God, they are the sons of God.

[Romans 8: 13-14](#)

Dearly beloved, believe not every spirit, but **try the spirits if they be of God**: because many false prophets are gone out into the world.

By **this** is the spirit of God known. Every spirit which **confesseth that Jesus Christ is come in the flesh, is of God**: And every spirit that dissolveth Jesus, is not of God: and this is Antichrist, of whom you have heard that he cometh, and he is now already in the world. [1 John 4:1](#)

And no wonder: for **Satan himself transformeth himself** into an angel of light. [2 Corinthians 11:14](#)
