### THE DESCENDANTS OF ISHMAEL

***“It went well for those warriors of peace who killed the leader of ISIS. So you see that The Lord is still with your nation, but your hold on God’s Hand is slipping away because of the allowed erosion of your laws, originally set up to fairly govern your country and reflect the principles of God’s Word.***

***There is much for you to pray about, but the predominant concern that you should have is for mercy. By their works of grace and charity individuals earn mercy and grace from God, and in their righteousness they merit even more—and God gives freely. A country is no different, and all who live in a county will be involved in any mercy or punishment that God invokes on the country.***

***If a country is evil and murderous at its heart and by its laws, it will be condemned in the same way that a person would be. Conversely if a country is righteous, all who reside within it will receive some of the grace and mercy bestowed on the country in general.***

***I have told you that the last-day’s Plan and actions have been initiated and that there would be no forestalling it, but outside the Plan is mercy, and as the righteous intercede for their country, there will be some of the intended effect of these last-day’s events that will be mitigated for some. This grace, in helping your soldiers successfully eradicate an element of evil is a shining example of this, and this event is also a warning to all who think that they do God’s work yet break God’s commandments.***

***My Laws are supreme over an ideology, religious beliefs, or teachings; and if any teachings are outside the framework of My Laws, they should be ignored and considered to be apostasy. My Laws stand above all and all else is to be judged by them, so if My Word says not to murder, this act then is a sin, and any who murder for the sake of variant religious beliefs are in error and will be judged accordingly.***

***You are now under the New Covenant and it varies from the Old Covenant in that murder for the sake of advancing one’s religion is not allowed, and such was the case in the Old Covenant with the exception of when it was in God’s Plan for His chosen ones who were acting on the promises of God; and under this Covenant the Jews were allowed by God to take land and wealth that God intended to belong to them, and by which no other means would bring about God’s Plan but war.***

***God also allowed killing not murder, in the defense of His chosen people's property, and this is still allowed today in accordance with the fair laws of many nations, when an evil threat comes against good people. But murder for the sake of ethnicity or belief is not allowed under the New Covenant, and will not be blessed as you have seen by the destruction of the radical elements of Islam.***

***I set the plan in motion with Ishmael when Abraham and Sarah sinned and did not strictly abide in their faith, in that the punishment for this act, since it was so terrible, would go on for generations even until the end of time. The race of Ishmael was set to be a disturbing influence in the world from his inception on, and every descendant of Ishmael would participate in this disturbance and would be a thorn in the side of many other races and creeds, especially the Jew who are the direct descendants of Abraham and Sarah.***

***Read your scriptures and see what I said about the descendants of Ishmael, and you will see clearly why the fabric of the modern day civilization is torn and cannot be repaired, and never will be repaired until your time ends.***

***Study to be approved, and you will gain timeless wisdom, for your time as well."***

And again: Behold, said he, thou art with child, and thou shalt bring forth a son: and thou shalt call his name Ismael, because the Lord hath heard thy affliction. **He shall be a wild man: his hand will be against all men, and all men's hands against him:** and he shall pitch his tents over **against all his brethren.** [Genesis 16: 11-12](#)

When the Most High divided the nations: when he separated the sons of Adam **he appointed the bounds of people, according to the number of the children of Israel.** But the Lord's portion is His people: Jacob the lot of his inheritance. [Genesis 11: 8-9](#)

**Thou shalt not kill.** [Exodus 20:13](#)

Ye have heard that it was said by them of old time, Thou shalt not kill; and **whosoever shall kill shall be in danger of the judgment:** [Matthew 5:21](#)
