

### THE HOLY SPIRIT

As I knelt in prayer, The Holy Spirit brought many subjects to my mind so that I could choose the content of the next letter. After about twenty suggestions He mentioned Himself, and I choose Him as the subject of the letter. Then He said, ***“Let it be so...”***

***“I came from God in the very early days of Creation. God wanted a Spirit through which He could pour wisdom, truth, knowledge, and counsel, and in this comfort all the creations that were in His Plan. I was at the foundation of the Plan as God began to construct all that is now.***

***He gave Me a Presence quite unlike most of the physical creations, in that I do not manifest in the physical, rather I am Pure Spirit, and those with eyes to see, will see Me as a brilliant mist as I move from place to place, but only those with the capabilities of seeing. Those with ears to hear such as you, feel My Presence and hear My Voice through their mind’s eye as I speak.***

***In this, I prompt your senses to hear familiar thoughts and I press the thoughts on your mind until they become recognizable by your brain, and your brain then relays these thoughts to discernable words and you pen them as they come to you. It is like God’s Word says, ‘like a still small voice’, and it appears this way to you and others because you do not hear My Voice through your ears, rather through the center of your mind in quiet meditation.***

***Further, you cannot touch Me with your sense of touch, however I can overwhelm one to the point of generating wonderful feelings of complete satiation, but this is through the manipulation of your physical nerves and varied tissues.***

***I cannot be smelled unless I impress upon your sense of smell, also through manipulation of varied components of that system, an image of a very pleasant aroma. I can do this to one, or I can do this to numerous people in the same area so that they can confirm the ‘miracle’. You have experienced this previously when I brought to you a sweet apple tart smell, and also to your mate. You were correct in your assumption that it was from Me.***

***You cannot taste My Presence, but I could prompt the same experience to you as I do with smell, but I rarely do.***

*For those who are deeply in touch with their sixth sense ‘spiritual touch’, they can feel My Presence in mighty ways and will exhibit many of My characteristics. These deeply righteous people will become as I am as they rise in the spiritual, and they will exhibit My qualities that you read about in God’s Word. For some, My Presence is so profound that they speak in My Mind and say the things that I press on them. This was the case with the Apostles of Jesus The Christ as they transcribed the Word into written form. I was there with them all, guiding their pens such that the inerrant Word would present itself at the end of every page.*

*As you have heard in the Word, I am The Comforter because Jesus and The Father send Me to the ones that need My counsel, wisdom, and knowledge, at critical times and for critical purposes. You are a good example of this, for when The Father brought you into correction and the love and counsel of Jesus corrected you, you were then turned over to Me to finish the Plan of God and further your part in the Plan of God. I give all manifestations of Myself, and as I counsel and as these with whom I work grow in the spirit, they become very comfortable in their beings in knowing that they now align with the Truth.*

*I also am sent to those grieving and others with ‘heart’ problems, and I give them peace through My allowed methods of communication; and with some, My intercession involves others as well, such as angels or other humans that I prompt to help. My intercession on Earth is constant and complex, but I am there whenever I am needed, and if the hearts are open to My Presence.*

*The most common question that I entertain, is how I can be in so many places at once even in the realms outside the Earth, and there are many. I will tell you this, and the ones who enter Heaven will understand the principle well...I am outside time, therefore time is not an impediment to Me or My existence, so I can be in as many places at once as I wish; and My Presence and My Mind is very large and can span many realms, and I do not think on a level plane as you do...My Mind can communicate with millions of humans minds at one time.....and I am at this time interceding in several million situations while you write this letter to The Father’s beloved children.*

*You will learn much more about Me in the realms of Heaven as you rise in the spirit to become as your Father, and I look forward, (just an expression of affection) to working with your learning as you move from this realm to the next.*

*With great love,*

*Ruach HaKodesh”*

But **blessed are your eyes, because they see, and your ears, because they hear.** For, amen, I say to you, many prophets and just men have desired to see the things that you see, and have not seen them, and to hear the things that you hear and have not heard them. [Matthew 13: 16-17 DRA](#)

And he said, Go forth, and stand upon the mount before the Lord. And, behold, the Lord passed by, and a great and strong wind rent the mountains, and brake in pieces the rocks before the Lord; but the Lord was not in the wind: and after the wind an earthquake; but the Lord was not in the earthquake: And after the earthquake a fire; but the Lord was not in the fire: and after the fire **a still small voice.** And it was so, when Elijah heard it, that he wrapped his face in his mantle, and went out, and stood in the entering in of the cave. And, behold, there came a voice unto him, and said, What doest thou here, Elijah? [1 King 19: 11-13 KJV](#)
