

**KNOW GOD**

***“To reach the most people We must discuss God...for to the majority He is just a concept and not part of their day to day reality as they know it. Some are willfully ignorant because they do not want to give up their temporal pleasures on Earth as they ignore any long-term ramifications, then there are the ignorant by no fault of their own, in that they have never been presented in any emphatic way, the Truth behind all Creation.***

***How do We reach these who do not know God...the righteous pray and witness—and I know that you do this, but you certainly could do more, for your prayers avail much since you have dedicated your life to God’s proclamations—so you do this. You witness mightily through this web site and many will be saved because of it, and when the books hit the markets, societies will be taken by a storm in the physical and in the spiritual, and virtually millions will be saved. The saints on high are already praising this day to come when the books are known throughout the world, for by then the devil will be largely defeated and many will slip from his evil grasp.***

***In the meantime, keep proclaiming My Word through your site, and I will work through the spirits of all who come to it...to press upon them that this is My Truth—and truth that has never before been heard; and truth that augments and completes much of The Word that is known today. If anyone wonders why I am doing this now and did not elucidate these details of My Word previously, you can clearly tell them that the last days are upon you and faith and salvation must rise quickly, for evil also rises quickly; and the battle for souls is raging in the other realms as we approach the time of the anti-Christ who will fool and corrupt many....and if The Truth is not known, many will fall to his trap and take his ‘mark’ and they will have no hope of salvation.***

***These must be reached now, for soon We will see the Calamity and then people will be focused primarily on survival and will not have these Words readily available as systems fail and Satan gains control of the internet—and shuts down all the religious sites that he can. So learn now about God and know that He is The Creator, and The Father, and The One Who controls your future. Know also that Jesus is The Judge, and by His Word you will be redeemed or condemned.***

*Do not accept all that appears to be Truth but has no supernatural aspect to it, for it is just deception. You have a sixth sense called 'spiritual touch' so exercise it, and gain the full knowledge of the Truth as your eyes open to the supernatural. Much is written on miracles, and throughout the ages there have been many, too many for you to know; but take time each day for reading, or watching videos on miracles—and pray for guidance from The Holy Spirit to insure that what you see is not deception, and you will grow in your knowledge and acceptance of God and His Plan for you and all Creation.*

*Do this, and you will be on the illuminated path to Heaven.*

*Be diligent My children.”*

Ye are the light of the world. A city that is set on an hill cannot be hid. Neither do men light a candle, and put it under a bushel, but on a candlestick; and it giveth light unto all that are in the house. **Let your light so shine before men**, that they may see your good works, and glorify your Father which is in heaven. And **he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.** And he causeth all, both small and great, rich and poor, free and bond, **to receive a mark in their right hand, or in their foreheads:** And that no man might buy or sell, save he that had **the mark**, or the name of the beast, or the number of his name.
