

REALMS WHERE EVIL EXISTS

“The time has come for Me to speak with you about Hell’s dominions. Little is known about the intricacies of these domains and where Satan and his followers can travel to and from, and how they intersect with your realm. Satan is allowed much variation in what he can do and where he can go, and this was all established by the terms of his punishment and the Covenants with he and the domains and realms that he can inhabit.

Hell of course, is his throne room and all in it is completely under his control with no intervention by the divine realms, nor anyone in the divine realms. It is an eternal domain and it has several realms that vary somewhat, but he is the dictatorial ruler of it all and will be forever. None of his subjects or prisoners can or will challenge him, for he is free to punish them in any way that he chooses, short of death; for he takes pride in his kingdom and part of that pride is in the number of his followers, his creations, and his prisoners that are made in the image of God.

The gates of Hell will be closed after the destruction of the Earth, then opened for a short time at the end of the Millennium, then closed forever. For those humans who fail the test of righteousness while on Earth—this should shake you to your core and cause you such concern that you would live in such a way that there would not even be a question as to whether you breached a Law of God, or even the Spirit of the Law. There is no punishment in all realms and universes that compares with the horrors of Hell...and it never stops.

Also a realm of inhabitation for evil is the spiritual realm that exists parallel to the physical in which you live, and the one that includes Earth and all that you can see, as far out in space as you can see. Your realm is fluid with the spiritual realm, yet passage is restricted by God; most spiritual beings must stay in the spiritual realm yet they can certainly influence and even inhabit some beings in the physical realm if they are invited by willful sin. Otherwise they must stay in the spiritual realm that is also inhabited by the angels of God.

As you can well imagine, these two crowds share nothing of value and they are very contentious with one another; for they are in a battle for the souls of the beings on Earth. The demons lobby for sin and evil actions and willful acceptance of their suggestions by the ones on Earth—for when they are invited, they can cause severe destruction of not only the human victims, but also physical destruction of material things on Earth. You have seen examples of this all through the history of the Earth, even as a result of exhibiting their power through the occult and those who practice it.

Conversely, the divine angels intercede and protect those on Earth, and attempt to guide to a worthy existence such that those that they minister to will be saved and sanctified for the edification of God.

However, they can only intercede when requested either by the prayers of the ones on Earth or a Divine One who has powers of intercession, and who hears the prayers and pleas from those on Earth, who choose to live a good life and who truly try to shut all doors to evil.

When these prayers come up to the heavenlies then are transmitted to the spiritual realm and to the angels, they go to battle with the evil forces in order to execute the prayer requests for those on Earth. If the subject is righteous, holy, and pure, then there is little resistance from the evil forces, for the righteous one has given no foothold to evil and thus no right for evil to attack and resist the attacks from the holy angels....thus, they accomplish their missions well and expeditiously.

On the other hand, if there is an equal offset of good and evil, the battles can rage for a long while. There are many mitigating factors in laying the groundwork for the individual battles, but the general principle is the same. Also, a simple lack of prayer, and praise, and worship, can cause a breakdown in the positive support that a good person should have, and thus leave the opportunity open for bouts with evil forces which corrupt and foul lives routinely.

Bear in mind, the angels who minister to you must be called, whereas the demons are constantly at work attempting to corrupt all that they can—so in order to keep the scales balanced, one must have a regular and strong prayer life.

This is enough for this letter. I will continue this teaching with follow-ups to this letter as we go forward.

Teach this to the ones you love, and they will be spared some of the pain that evil brings.”

Ruach HaKodesh

—John Patmos

I will ascend above the height of the clouds, I will be like the most High. But yet **thou shalt be brought down to hell**, into the depth of the pit. [Isaiah 14: 14-15 DRA](#)

And I saw an angel coming down from heaven, having the key of the bottomless pit, and a great chain in his hand. And he laid hold on the dragon the old serpent, which is the devil and Satan, and **bound him for a thousand years**. And he cast him into the bottomless pit, and shut him up, and set a seal upon him, that he should no more seduce the nations, till the thousand years be finished. And after that, **he must be loosed a little time**. [Revelation 20: 1-3 DRA](#)

As Sodom and Gomorrhah, and the neighbouring cities, in like manner, having given themselves to fornication, and going after other flesh, were made an example, suffering the **punishment of eternal fire**. [Jude 1:7 DRA](#)

Confess your faults one to another, and pray one for another, that ye may be healed. **The effectual fervent prayer of a righteous man availeth much**. [James 5: 16 KJV](#)

For our wrestling is **not against flesh and blood**; but against principalities and power, against the **rulers of the world of this darkness**, against the spirits of wickedness in the high places. [Ephesians 6: 12 DRA](#)
