

SEEK SALVATION

“My Truth will be known all over the world before the end, and all will have the opportunity to see it if they desire. There are some obvious exceptions that the sceptics point to as inconsistencies in My Word, but those who do not nor have not seen My Word, will be judged by their state of righteousness and their embrace of all that is good.

The world and all its inhabitants throughout time have had different seasons and influences and My Plan allows for this, and My Judgment is fair and none will doubt it. For those who deserve Heaven, they will have it; and for those who need correction, they will get it; and for those who need condemnation, they will get it. There are many ‘grey areas’, but I am also a God of grey areas for I created them to be and I will surely deal with them all with care and completeness.

I tell you in My Word exactly what you must do to be saved, this is the same today as when Jesus The Christ walked the Earth. Nothing has changed in My Standards and nothing will change in My Standards...what you read is true and what you read, you must do; there are no ‘Get Out Of Jail Free Cards’, as in one of your popular games. You must without exclusion, live your life in this short testing period in the way that I teach you.

Do not be weak and excuse sin because you do not see the severity of it, for you are not God, and you are not The Judge; rather look for the strictest interpretation of My Word including the spiritual and live it perfectly, and you will be highly favored in Heaven and you will be lifted up. In making the commitment, you will see that life on Earth is much easier than one lived on the ‘spiritual fence’, (as one living with doubts and fears); live in the full power of God embracing His full Word and living it such as the perfect child would, while it adores its Father.

This is the key to love, for as is with God, a large portion of your love to Him is in the form of service and obedience; and these two keys unlock the door of knowledge whereby you may understand your Father better and grow closer to Him. This is your goal now and in eternity, to grow closer to your Father and to become one with Him. This is His desire for you and this is how He made and formed you to be.

This path was laid out for you before you were in the human womb and He has attempted to illuminate this path to you throughout your entire life while here on Earth, but only because of your will and poor choices have you strayed from the straight path to God and fell to the traps and snares of evil. However, it is never too late to return to the path to The Father; so if you are one who has strayed and is overcome by the lusts of the world, and sin provoked by Satan, drop your burdens at the feet of Jesus The Christ and weep in your shame, and earnestly ask Him to free you from Satan's traps and set you free by the Sacrifice of His Blood for you.

Accept this sacrifice into your heart and soul and go forth always abstaining from all sin, and growing in the power of the knowledge of The Lord, rebuking Satan and the evil of the world completely and absolutely, and you will be saved.

Saved.....meditate on this and the significance of it for you and all humanity. Can you see the depth and breadth of it? Can you see the eternal importance of it?

Be not small-minded and ignorant of the important principles of God and His Word...see them, perceive them, believe them, and receive them—and you will be a child of God forever.

Blessings in your learning.”
