

11-27-2019 A Message from: **The Holy Spirit**

### MY CHALLENGE

I offered The Lord my apologies for not buying a machine for the end times work that needed to be done, because I did not 'hear' the instructions to buy clearly enough, and I did not trust my discernment of the Holy Spirit's Voice this time. The Holy Spirit said:

***"OK—I accept your humanness. While you were lamenting your decision not to buy the machine, I interceded for you and informed all the sources as to what to say to you; so that you would be comfortable in buying it. Had you listened more closely to begin with, I would not have had to go to the extra effort; but you are learning to rely completely on My Word and My Voice.***

***I know that It is difficult to discern sometimes, especially when your mind is busy with other thoughts and emotions, because strong emotions and dominant thoughts can overcome and muffle My 'still small Voice'...and thus it is difficult to know whether you heard from Me, or if the 'thought' was your own. You have gotten much better at acknowledging My Thoughts and My Voice especially in peaceful and meditative times, but you must also learn to discern during tumultuous times as well, for soon you will embark on the Calamity and emotions will be high and events will be frightful, and during these times it will be even more critical to 'hear' My Voice, because the information that I give to you will be immediate and critical for your safety and for others as well.***

***You and the ones that you help and minister to will need immediate guidance in many circumstances for the times will be evil, and the control of your Country will be abdicated to those who do not care for the welfare of Christians and other moraled individuals, nor will they care about the young or the old. They will only value those that they can exploit for their own selfish gain and pleasure.***

***You will need to beware in all that you do, for dangers will lurk in places that you would never expect and with people that you would not suspect so always be on guard, but also be ready to help any soul who is seeking the Truth and salvation. This will be your primary responsibility in these last years—to bring good people to safety and to God.***

*The end times are upon you so none will live out too many years in the future, and after this last pause in the end times events occurs, no one will want to live in the terrible times that will overwhelm the Earth; so the focus needs to be to save as many and as quickly as possible, for death will be commonplace....and if one is not saved, they are essentially lost for all eternity.*

*Do you see with clarity this objective? Take it more seriously than your life, for you and many others have been appointed as God's messengers in this time, and all messengers must be wholly ready and fully understanding the times and tasks ahead....for none must be lost that can be saved. The evil forces are getting stronger by the day but be not afraid, for I will give great power to My end times warriors and they will succeed in their missions.*

*My Love for all humanity is great and all consuming and I do not wish that one be lost, so approach your position with great diligence and boldness through My Word, and through the spiritual power that I impute to you and others who will be doing similar functions for My Kingdom. Teach others as well that you can trust, for the selection of the end times messengers and vessels is not completed yet. Many more are needed.*

*My Love is with all who love Me. Be bold and trust your faith, you will prevail and many will be saved."*

And, behold, the Lord passed by, and a great and strong wind rent the mountains, and brake in pieces the rocks before the Lord; but the Lord was not in the wind: and after the wind an earthquake; but the Lord was not in the earthquake: And after the earthquake a fire; but the Lord was not in the fire: and after the fire a **still small voice**. And it was so, when Elijah heard it, [1 King 19: 11-13 KJV](#)

And of the children of Issachar, which were **men that had understanding of the times**, to know what Israel ought to do; [1 Chronicles 12: 32 KJV](#)

Know also this, that, in the **last days, shall come dangerous times**. [2 Timothy 3: 1](#)

And when the hour was come, he sat down, and the twelve apostles with him. And he said to them: With desire I have desired to eat this pasch with you, before I suffer. For I say to you, that from this time I will not eat it, till it be fulfilled in the kingdom of God. And having taken the chalice, he gave thanks, and said: Take, and divide it among you: For I say to you, that I will not drink of the fruit of the vine, **till the kingdom of God come**. And taking bread, he gave thanks, and brake; and gave to them, saying: This is my body, which is given for you. Do this for a commemoration of me. [Luke 22: 14-19](#)
