### LEVELS OF SIN

*“Know this...everyone who has a heart for evil will be turned to it. Like a dog returning to its vomit, they will be presented with circumstance after circumstance that gives the opportunity and draws them to it...this is not happenstance, this is spiritual, and the spiritual realm is predominate to the physical realm that you see.*

*Why then, do the willfully wicked continuously have new opportunities to sin placed before them in many varying forms? It is all determined in the spiritual by the Covenant as the battle for souls rages on. If one welcomes sin, the evil forces have a contractual right to dominate the spiritual realm around the sinner, especially when the sinner is particularly evil, there is virtually no restraint on the evil forces relative to this person.*

*If the person is a willful sinner yet has a faint light in their spirit that wishes to do good, then some of the forces of light have the right to battle for that person to a degree unless the doors to sin are willfully open. For one who occasionally sins yet wills to do good, the forces of light and good have a contractual obligation to help and defend this person and battle fiercely for this person’s salvation.*

*For the one who has attained righteousness, holiness, and purity, and executes this moment by moment with few failures, this person has an entourage of angelic forces and other intercessors who battle so fiercely and contain evil so radically that the evil forces generally do not attack, for they know that they will be defeated....and many times will be bound and carried off to another realm where they can do no harm to anyone.*

*Satan respects this situation as well, for he does not want to lose any of his evil forces, for the final battle is soon and he will do everything that he can to defeat good and take as many prisoners as he can through his evil and his forces.*

*Every sin must be paid with all far-reaching repercussions, and I have said before it is far better to do penance while on Earth, for your penance counts for much more than it does in the realms of correction, because you do penance willfully and within the Curse. Whereas in the realms of correction the penance is slow, deliberate, painful, and complete, for every minute aspect of each sin and its complete ripple effect even for generations must be satiated fully, for if it is not, then complete purity cannot come and if purity does not exist within the soul and spirit, then it cannot enter even the marginal realm of Heaven.*

*All sin must be purified before one can enter the Gates of Heaven, for no sin can exist there and there is no provision for sin there, it simply cannot.*

*So for the wise, there is one takeaway from this brief letter on the varied types of humans and their propensities to sin.....do not. Do everything in your power not to sin—change your routines, friends, place of abode, activities, gravitate to righteousness, holiness, and purity; and attend a true Church, one*

*that respects the Eucharist, and one that does not espouse the doctrine of the devil that is 'once saved always saved'; for these churches are temples of Satan where the attendees are lulled to sleep in their acceptance of sin, and God's power and justice is not respected. Further, there are a number of verses in My Word that state specifically that there is no sacrifice for the willful sin after accepting the Blood of Jesus for purification. One must accept every Word of the Bible or reject it completely, and the end of rejection is Hell.*

**For the wages of sin is death.** But the grace of God, life everlasting, in Christ Jesus our Lord. Know you not, brethren, (for I speak to them that know the law,) that **the law hath dominion over a man, as long as it liveth?** [Romans 6:23, 7: 1](#)

For if **after** they have escaped the pollutions of the world through the **knowledge of the Lord and Saviour Jesus Christ**, they are **again** entangled therein, and overcome, **the latter end is worse with them than the beginning**. For it had been better for them **not** to have known the way of righteousness, than, after they have known it, to **turn** from the holy commandment delivered unto them. But it is happened unto them according to the true proverb, **The dog is turned to his own vomit again**; and the sow that was washed to her wallowing in the mire. [2 Peter 2:20 KJV](#)

Furthermore, just as they did not think it worthwhile to retain the knowledge of God, so **God gave them over to a depraved mind**, so that they **do what ought not to be done**. [Romans 1: 26 NIV](#)

For if we sin wilfully **after having the knowledge of the truth**, there is now left **no sacrifice for sins**, But a certain dreadful expectation of **judgment**, and the **rage of a fire** which shall consume the adversaries. A man making void the law of Moses, dieth without any mercy under two or three witnesses; do you think **he deserveth worse punishments**, who hath trodden under foot **the Son of God**, and hath esteemed the blood of the testament unclean, by which he was sanctified, and hath offered an affront to the Spirit of grace? For we know him that hath said: Vengeance belongeth to me, and I will repay. And again: The Lord shall judge his people. **It is a fearful thing to fall into the hands of the living God.** [Hebrews 10: 26-31 DRA](#)

And another said: **I will follow thee**, Lord; **but** let me first take my leave of them that are at my house. Jesus said to him: **No man putting his hand to the plough, and looking back, is fit for the kingdom of God.** [Luke 9: 61-62 DRA](#)
