

GOOD AND GOOD WILL

“Do you ever wonder why the Earth is as it is and not another shape with other atmosphere and other outcroppings and living things that all serve man, and do you wonder why man appears as he is and not as another shape or form? Do you wonder what went on in God’s Mind as He put the whole of Earth’s creation together? Surely there are millions of other combinations of elements that could have been used to form all the existence that you see with your eyes as humans.

Indeed there are, and God could have chosen many differing forms of creations and many varying types of creation supporting things such as plants and trees. He could also have created other categories than insects or birds or creatures of the sea...and what about the seas—were they really necessary to form this particular ecosystem?

God certainly could have made all as it is on Earth differently, and in many other settings He did. There are numerous forms of life in the many galaxies that God has made, and most have common elements that coexist well together, and upon these building blocks he creates systems that are good and edify Him and have good symbiotic existences together—not as it is on Earth where all is cursed because of sin.

Humans look at the planet and all who reside upon it and think that if only all were responsible and looked out for the good of Earth and its people, that all could be good again; and people could live one another in harmony and peace, all as good caretakers of the planet and all respecting all life and types of mores and accepting all ways of life for humans...providing that they do not harm one another.

This is pleasant thought and it is responsible thought and it appears to have good output from all the input that stresses conservation and respect of all that lives. But all that lives is not known by humans, and the mysteries of the forces propelling man down the current path are not known, and the true forces behind the destructive nature of man and the Earth are not recognized by most people, especially those who consider themselves as ‘good’ by their own merits.

There is much more that is not seen than that which is seen, and the unseen provokes more of the activities and the direction of life’s paths than the seen, and this is the way that it has always been since the Curse; and the Earth will finish its cycle of existence in the Curse and it will be the dominating force that drives humans to their ultimate finish, and in spite of all the

well-intentioned intercession in public and private policy...the end will be the same because it has been foretold thousands of years ago by the ones who received the knowledge from God.

God has always wanted the Earth to be a righteous and peaceful place to dwell for all time, but due to the will of man and the will of Satan and his followers this did not happen; even in spite of His Intercession and also by Jesus The Christ, The Holy Spirit, the Holy Mother, and all prophets and priests, and many others who do and do not have recognized sainthood. This war of good and evil has been raging from the beginning of Satan's fall to the Earth, but it will soon be over. The Covenants will be replaced by the 'Eternal Covenant' soon, and thus there will be no place for evil and no place for Satan and all will live in peace and love of The Father. Have patience for a short while longer, and you will go with the change to your permanent location. Be sure that it is a realm of good.

Learn of your Creator."

Ruach HaKodesh

—John Patmos

(All DRA version unless noted.)

And the earth is infected by the in- habitants thereof: because they have transgressed the laws, they have changed the ordinance, **they have broken the Everlasting Covenant. Therefore shall a curse devour the earth**, and the inhabitants thereof shall sin: [Isaiah 24: 5-6](#)

For that which is at present momentary and light of our tribulation, worketh for us above measure exceedingly an eternal weight of glory. While **we look not at the things which are seen, but at the things which are not seen**. For the things which are seen, are temporal; but the things which are not seen, are eternal. [2 Corinthians 4: 17-18](#)

And I saw a new heaven and **a new earth**. For the first heaven and **the first earth was gone**, and **the sea** is now no more. [Revelation 21: 21](#)

And God shall wipe away all tears from their eyes: and death shall be no more, nor mourning, nor crying, nor sorrow shall be any more, for the former things are passed away. And he that sat on the throne, said: Behold, I make all things new. [Revelation 21: 4-5](#)
