

TALK WITH YOUR MASTER

“Where do you go to find God? Have you ever wondered this? You have heard that He is all around you, but you have not experienced Him as you wish. So, what do you do, and how do you connect with God—The Triune God?”

In the Bible, you read about how God spoke with a few; you also read about how The Holy Spirit spoke with many; and you read about Jesus who spoke with multitudes; but how do you, as the individual that you are... speak with God?

You will be pleasantly surprised to know that the answer is quite simple. God speaks to you through His Word, every time you read It; and if you search the Word with an open heart, and with pure intentions, God will give you a private revelation. You will see a scripture just jump off the page, or you will simply open to the verse that is exactly the message that you had been needing; or someone else reading the Word, in the present or through media, will have the message that you needed. Approaching God’s Word in humility and sincerity, many times brings about these little miracles.

Then there is praying to God, and actually hearing words from Him in your mind—completely separate from your own thoughts. If you are truly seeking God, and are living your life for Him, often you will hear from Him in a ‘still small voice’. You will learn to recognize it, even while testing the spirits; and you will gain vast knowledge from His messages. Some call these prophetic words, or mystical experiences; but they are just God, wanting to have a relationship with one, who wants to have a relationship with Him.

All it takes, in many cases is to be an ‘open vessel’, truly desiring to do God’s will; and He will use you through these messages, and will enlighten you and others with wisdom that is applicable, and sometimes critical to a particular time frame.

Then, there is actual sightings, or visions with Words from The Lord. Few have these visitations; yet, the ones who do, are frequently people who have an immediate critical need of some kind; or someone who is at a critical phase in their life, relative to their beliefs. When God crosses the realms such as this, there must be a very compelling reason for it; and the one seeing God will be blessed greatly.

So to begin your quest to hear from God, start by humbling yourself, and kneel in His

presence, and pray to Him; just as if He were with you. You may even lie on your face, and beseech Him for knowledge. He loves when His creations acknowledge Him as God, and stand humbly in His Presence.

If you do this, and study His Word, and seek His Face, you will find Him; and He will commune with you. This is how He created you to be.

Be blessed, and reach out for your God.”
