

A MAN OF GOD

“2020...it has a bit of a ring to the sound of it in your language. Will it be a year of courage and action, or will it be a year of cowardice and deception? Will you be involved, or will you be content to sit on the sidelines and allow all to happen whether good or bad?”

There is a man who is following the courage of his convictions as he dedicates much of his day to reaching people with the Truth, this in addition to holding a full-time job and all his domestic duties and tasks which are significant. He is a man who lived much of his life in sin and disobedience, but since elevating his search for the Truth was met by God and now is fed the Truth regularly.

His view of the eternal is now accurate and he understands God’s Plan, His Love, and His Mercy, and he lives in it. His life belongs to The Lord, and since seeing the Truth, he has been protected, blessed, and led mightily in wisdom. His life is full and his eternity is sure as he works to bring more souls to salvation.

Is his life now easy and does he now float through life like a frog on a leaf? No indeed he does not—for he is in a battle zone with Satan and all who deny the Truth. He is continuously assaulted in his spirit by the modern day news media who deny the Truth and spread heresy, he has been abandoned by his family who although profess to be Christian, have no influence from The Holy Spirit and thus deny his works and his beliefs as radical and strange.

He has also been alienated from the mainstream public as well because he sees the spiritual behind all human interactions, and cannot and will not participate in sin and evil. He cannot espouse his wisdom openly because it by emerging laws, would be considered biased and intolerant; so he works quietly behind the scenes to inform and save as many souls with the Truth that will listen and repent. Although his work is not in front of men it means no less to God, for all works of God are blessed and rewarded if done with a true heart.

He has also been faithful in recent years to tithe to his church without fail, however as he has perceived corruption and a straying from the fundamental principles of Truth, he has cut back his tithe and has then given that portion to an organization that continues to fight for a restoration of the Church and a cleansing and redemption of it. He takes the fruit of his work then allows it to work for the same causes of God that he does as well. This is good, for time is short for the redemption of man and worldly influences continue to grow stronger.

He is a modern day warrior in the army of God and his actions will be promulgated throughout the world, and every act of kindness, mercy, and intervention will avail much both here on the Earth and in the heavenly realms as well. While here on Earth he will see his work bear fruition and after physical death his angels will usher him to Heaven to his loved ones and his home magnificent. Every good work and every soul saved translated to goods and materials sent to Heaven to build and equip his eternal home....and now that home is marvelous and spans many realms of Heaven that he and others who have the heavenly credentials can inhabit. God is a rewarder of those in His service and more so for those who do it selflessly and sacrificially with a right heart.

Look to this man to pattern your life around and your eternal future will be secure. Your stay on the Earth is very brief, but every second carries much weight in the eternal and dramatically affects your initial state of being and your very realm of inhabitation. Do not idolize people, but take their good qualities and emulate them in your own life.

Your successes will be praised.”
