

### THE NEXT STEP

***“It will be done. All will be exposed to the Power of God and decisions will need to be made. To deny God after a knowledge of Him through human experience is a final decision, and one made with full intent and the free exercise of the human will. This will take humans from a position of convenient disbelief to one of active denial, and this action will take the person from a position of ignorant slothfulness to active disobedience...and this is fairness and full disclosure.***

***The Truth will be displayed in many forms and all will be able to proactively reach out to learn it, it will be available to all. This principle is laid out in The Word and it is a warning as well as a promise...for it portends the end of time. To avail yourself to this situation in the near future, you will need to exercise and activate your sixth sense of ‘spiritual touch’, for it will be your lens whereby you view all divine actions to come, and you will know just how to interpret all that you see and feel. Rely on spiritual touch—for it is the most trustworthy of all the senses, for it is still connected to the divine Realm wherefrom you came.***

***If you are completely in the world, you will miss many of the ‘signs and wonders’ that God will send in order to alert humans of the time elements on Earth relative to the end times scenario that is spelled out in several books of God’s Word. Students of prophecy will be the ones that the masses will go to and rely on soon and they will act as ‘guides’ for the believing population at large, so familiarize yourself with the ones who are tried, trusted, tested, and true, for your understanding of your place in future events, and you will be of great service to your loved ones as they also grope for truth in a rapidly changing world.***

***All of God’s Plan for man can be known except for a few secret details yet and those critical details will be revealed to a few trusted prophets throughout the world, and they will be sworn to secrecy until the appropriate time comes to reveal these critical items. So you must keep your finger on the pulse of the spiritual prophetic in order to be prepared for life in the future.***

***Many changes will occur and they will happen very quickly...so to try to ‘catch up’ in your understanding as these events roll out will be very difficult to do, so be diligent now to acquire and pursue all true prophetic Word—both in the past and in the present. There are a few anointed ones through whom I send My warnings and relevant knowledge to future***

*events, so search these out and dedicate a portion of your days to absorbing this understanding, and you and your loved ones will be saved and spared a significant amount of pain and suffering as time winds down.*

*Never in the history of man has it been more important to connect with the spiritual, for this is the foundation for most of what is to come; and having no understanding of this is like living in this modern age with nothing but a horse and a plow, you must be equipped to know and learn about The Creator and His Plan, for it will no longer be silent in the affairs of the Earth and all inhabitants.*

*Do you doubt that there is a Plan for your existence? Well get in touch with your sixth sense, and you will quickly grow in your awareness of events that you would never have believed possible...you will be amazed and humbled in the knowledge of God, and this humility will accompany you throughout all ages to come as your grow to become more like your Creator.*

*There is much more around you than that which you see.....tap into it.*

*Blessings."*

*Ruach HaKodesh*

For **it is impossible for those who were once illuminated, have tasted also the heavenly gift, and were made partakers of the Holy Ghost, Have moreover tasted the good word of God, and the powers of the world to come, And are fallen away: to be renewed again to penance, crucifying again to themselves the Son of God, and making him a mockery.** [Hebrews 6: 4-6](#)
