

**SALVATION IS ALL**

***“When you see all that transpires today and the hurt that all mankind feels in their souls as a result of unrighteousness, know that all will be well some day for all who have a heart for Me and My Will. You must be strong and know that I see everything and I monitor the cause of the Covenant and am prepared to terminate it very soon...for it is almost completed.***

***You poor humans have suffered long enough under the reign of the evil one and his agreement with his Creator is neigh to be done, and he will find his final place of torment at the end of his dirty road of evil and sin. He has no redemption nor do any of his followers whether angelic or human or creature of any kind—they all will be doomed to his torturous companionship forever in the Lake of Fire.***

***You must continue to strive in your efforts of goodness, kindness, and mercy, for all will need it; and you must continue to care for all who love you and all that I send to you in the future. Care for their human physical and spiritual needs and wants and do not neglect any, for you do not know how The Holy Spirit will intercede in their lives in order to save them. Many times the ones who seem to be the most undesirable, are the ones who end up being the greatest saints and the strongest workers in My Army.***

***Salvation...this is the final goal and this is all that matters in the eternal Plan. Focus first on the care for others so that they truly know that you have their welfare in mind, but use this as a springboard to teaching about Me and My Plan and My Word for all mankind. Tell them that their salvation is the only thing of importance that they take with them in eternity after they die, and the more time that they spend in righteousness, the more glorious rewards that they will have in their heavenly home—and indeed, their heavenly home itself is predicated upon the extent of their good works while on the Earth.***

***Implore all to begin their walk immediately with The Lord and to study and know The Lord and all that he has promised to those who have a heart for Him. Help them to know that indeed He is real and that if they could see into the Divine Realms that they could virtually reach out and touch Him. Tell them of the Sacrifice of Jesus and why it had to be, and how He set Himself up as an example for people so that they could live in righteousness, holiness, and purity. Tell them that they are ‘commanded’ to be perfect ‘even as their Father in Heaven is perfect’ and encourage them to learn this principle and do everything that they can to attain it.***

***Tell them of Me...The Comforter...The Guide...The Giver of Wisdom; and that I abide with all who do not offend Me and especially with those who do strive daily to achieve spiritual perfection. Tell them that their body is the Temple of God, and that if they keep the Temple clean and pure that I love to reside in it and give blessings and aid in all human events.***

*Tell them of the Holy Mother and how she was a sinless Eve and how she restored purity for the human race; and tell them how she begged The Father to be able to come physically and spiritually to the poor humans—many times in varying forms, to renew faith and bring more to salvation. Point to the evidence of all these miracles and tell them that all are irrefutable. Tell them of the modern-day miracles of The Eucharist, and how these have been carefully documented and witnessed, and tell them that the miracles on Earth are so numerous that they cannot be counted.*

*Do all this and you will help in the salvation of many and your rewards will be glorious, but do it not for rewards, do it for your love of your brother and sisters—for this is the highest form of human and spiritual existence.*

*Give love, be loved, and live in love.”*

*Ruach HaKodesh.*
