

**AS THE FATHER IS**

***“When The Spirit comes, He brings with Him all of the past and all of the future, for He is outside time. Time is unique to only select creations and it is a limitation and a gauge, so not all creations needed this. The perfect creations that were made with a static ceiling of knowledge and with static boundaries, did not need the restriction of time; but those who had the gift of choice and will, had to have limitations after the first sin—for then the creations had the power to self-destruct and this was not in the Plan of God.***

***Had God put boundaries around Satan before he sinned, his rebellion could have been averted; but God desired love in the highest degree and thus He granted the growth necessary for him to draw very close to God, and part of this growth was in the form of will and the full capability to love or not to love.***

***There were other Great Spirits that were created by God that had will, that did not choose to sin, and to this day they still remain perfectly loyal to God and are entirely in His Will. This is also true for the two entities generated from The Father...and I am One, and Jesus The Christ is the other. We have always had the knowledge universal, but We both know the end of sin and the end of love, and thus We simply allowed no elements of sin within Us, and in fact set up permanent barriers to sin that would not allow it to touch our Inner Beings. We as you might say, are immune; and this is the way that We choose to stay, for anything else is destruction and a breach of The Father’s Plan.***

***This is immovable Wisdom and this is a full commitment to all that is good and a full rejection of all that is bad. This is what We try to inculcate within all creations through whatever means that We have available to Us, but We can only succeed with humans and all other creations of will...if said creatures allow our wisdom to become part of them by their free choices. Self-determination is an attribute but also a consequence of choice—and it is powerful in the physical and spiritual realms.***

***We attempt to raise all creations up in the spirit and in love so that their eyes open to wisdom, and when the eyes open, then the spirit can learn and understand the deep secrets of God and the eternal ramification thereof. With a willing soul, We can infuse wisdom such that one can gain knowledge and power such as one cannot imagine, the extent of which is not known to humans although you have some biblical examples to point to. I will tell you***

*that these same powers and the same great wisdom is available today just as it was in the past; and there is no limit placed on the spiritual growth of one truly righteous, holy, and pure, other than to be higher than the Holy Ones.*

*You as a limited human can accomplish this, and your first and compulsory step is to attain Heaven; and from there you can become an eternal student of The Father and you can grow to be as He is as the eras pass. There is no known space limitation in all the Heavens, and there is not spacial limitations that will be placed on an ardent student of The Father who wishes to be as He is. The Father is generous and He is Love, and the closer you grow to be like Him, the stronger the love is, and this pleases Him and edifies you both. This is the eternal goal for all creations and the wise will begin their quest for learning now, for while in the Curse generous allowances are made for spiritual growth.*

*This is your reality for eternity, embrace it and allow it to overtake you. Be in Christ, and become like The Father.*

*Blessings on your way.”*

And when it was now time to offer the holocaust, **Elias the prophet** came near and said: O Lord d of Abraham, and Isaac, and Israel, shew this day that thou art the God of Israel, and I thy servant, and that according to thy commandment I have done all these things. **Hear me, O Lord, hear me: that this people may learn, that thou art the Lord God, and that thou hast turned their heart again. Then the fire of the Lord fell, and consumed the holocaust, and the wood, and the stones, and the dust, and licked up the water that was in the trench.** And when all the people saw this, they fell on their faces, and they said: The Lord he is God, the Lord he is God. And when **Moses had stretched forth his hand over the sea**, the Lord took it away by a strong and burning wind blowing all the night, and turned it into dry ground: and **the water was divided. And the children of Israel went in through the midst of the sea dried up:** for the water was as a wall on their right hand and on their left. [Exodus 14: 21-22](#)

And by the hands of **the apostles were many signs and wonders** wrought among the people. [Acts 5: 12](#)

Otherwise believe for the very works' sake. Amen, amen I say to you, he that believeth in me, **the works that I do, he also shall do; and greater than these shall he do.** [John 14: 12](#)
