

GREAT EVENTS

“It is with great honor that many of My great servants have served Me in the past, and there are some today who still feel this power from The Divinity in their service, but few with the fervor and abundance of those of the Old Covenant. Back then their lives many times were completely reliant on the works of God and they prayed...and they saw...and they believed.

The miracles were readily evident and the confirmation from them was powerful and immediate and no one who witnessed them could dispute the heavenly nature of the occurrences. Miracles today under the New Covenant are still prevalent, but not as severe as in the Old Covenant because Jesus has been put forth as the ‘Touch Stone’ for salvation and faith, and His life is well known and well documented and God The Father wants all humans today to look to The Christ for their salvation.

However, from time to time He allows significant alterations of the physical realm in order to bring more to salvation, the most dramatic examples in the New Covenant are the miracles performed by holy men including the original Apostles, and of course the more modern miracles of the Holy Mother. These are well documented and undisputable by anyone who has a rational mind. These and other miracles have caused millions to come to salvation, but here in this day faith again has grown cold and few believe in miracles, and most humans are indifferent about their eternal destiny and in fact deny the very existence of The Creator.

This willful blindness is caused by sin, evil, and the direct intervention of Satan and his evil hordes into societies today. Reality has been so corrupted by sin, that most now consider God’s Laws to be an offense rather than the Holy Way written to direct all on the Path to God; and of course why would they not be corrupted by Satan, for he wants all to be on the path to his eternal kingdom—that of Hell, where he will be the abusive king of all God’s creations who reside there for all eternity.

God throughout history has fervently called all back to Him, even to the offering of His Son as a sacrifice for man. What greater sacrifice is there...for God and for Jesus The Christ as well. Many have given their lives for the cause of God and Christ in the Earth’s history, but none in the way that the omniscient Father and Son did. Christ will forever bear the signs of His crucifixion and He and The Father will always bear the pain of it, and the remembrance of all their precious children lost to the clutches of Satan. Their eternal suffering is immense.....and far above anything that mere humans can comprehend. However, God did this willingly out of supreme love for His children, to save them from destruction and to offer them eternal bliss with Him.

All other miracles and apparitions throughout the ages have been allowed by The Father for the same purpose, that of bringing souls to the reality of God and creation, the real and proper reality. Now however, modern day societies have become so offensive to God in their sin, that God will change His

methods of alert to humans. He now has initiated the last phase of the Plan for Earth and its residents, and this phase will be a series of very dramatic geophysical events that will change the perceptions of humans...violently. Many will wonder about the supernatural as these events intensify, and many will be saved as they come to the realization of the Truth, through their desperate searching for answers to the serious situations that cannot be explained by any other credible rationality. Satan and the anti-Christ will try to explain away the terror, but the wise will see the Truth and flee his deception.

You too need to draw close to the Truth, and now is the time to begin. Search God's Word for answers...and to escape the Curse.

The change is on now—study to be approved.”

(All DRA Version)

Then **Josue spoke to the Lord**, in the day that he delivered the Amorrhite in the sight of the children of Israel, and he said before them: **Move not, O sun, toward Gabaon, nor thou, O moon, toward the valley of Ajalon. And the sun and the moon stood still**, till the people revenged themselves of their enemies. Is not this written in the book of the just? **So the sun stood still in the midst of heaven, and hasted not to go down the space of one day.** [Joshua 10: 12-13](#)

Moses therefore took the rod, which was before the Lord, as he had commanded him, And having gathered together the multitude before the rock, he said to them: Hear, ye rebellious and incredulous: Can we bring you forth water out of this rock? And when Moses had lifted up his hand, **and struck the rook twice with the rod, there came forth water in great abundance, so that the people and their cattle drank,** [Numbers 11: 9-11](#)

And **the Lord said to Moses**: Behold I have appointed thee the God of **Pharao**: and Aaron thy brother shall be thy prophet. **Thou shalt speak to him** all that I command thee; and he shall speak to Pharao, **that he let the children of Israel go out of his land.** But I shall harden his heart, and shall multiply my signs and wonders in the land of Egypt,.....And **the Lord said to Moses: Stretch out they hand towards heaven: and may there be darkness upon the land of Egypt, so thick that it may be felt.** And Moses stretch forth his hand towards heaven: and there came horrible darkness in all the land of Egypt for three days. No man saw his brother, nor moved himself out of the place where he was: but **wheresoever the children of Israel dwelt there was light.** [Exodus 7: 1-4, 10: 21-23](#)
