

**GROW IN YOUR SPIRIT**

***“You have left it alone for long enough, I will resume now knowing that the infraction has been recognized and dealt with, do not allow it to happen again for this work is too important to let your personal preferences interfere. Just reverence The Lord and His Word and live for It...in It...and by It...and you will be in The Lord’s Will.***

***Take no comfort in the world—rise in the spirit and you will see eternal comfort that makes this earthly experience seem as vapor. You hold nothing while you are there and you take nothing with you, so hold the Hand of God and draw Him near, for this will be all in your remembrance forever. Subdue the world and your feelings and emotions and you will rise in holiness. Look only to that which matters—the eternal spiritual...and become it and live in it and you will please God immensely.***

***Your Father controls all that will happen to you forever after you leave the Earth, so bond with Him in love and you will grow and be blessed as you experience your eternity. You lose nothing by turning to the spiritual, yet you gain realms and blessings that cannot be explained by human language. Believe this for it is true, and every day that you are outside the perfect Will of God is a wasted day; and I have told you many times how your actions and obedience builds great things in Heaven while you are on Earth for you are overcoming the Curse, and this will be your last chance to do so—there is no curse in Purgatory or the Realms of Knowledge and Learning...just correction in the absence of The Divinity; so make your strides while still in the Curse and you will grow greatly in the Eyes of God and all else who participate in your eternal destiny.***

***Do you want respect from The Father, Jesus The Christ, The Holy Spirit, the Holy Mother, the angels, and all saints in Heaven? Then rise in the spirit and you will be revered by all who matter in your eternity. You will also be revered by man, for man knows intrinsically the wisdom that comes forth from a great spirit and you will be admired. I say this for your edification and warning, for when you please man you will receive accolades, and these are normally in the form of adoration which can be a form of idolatry and can spark pride which is a sin—so I tell you the truth...be not affected by the affections of man but turn your affections to The Father and you will learn the secrets of spiritual growth.***

***Know the spirit...feel the spirit...feed the spirit...and touch all around you with the spirit and let the spirit speak wisdom through you and you will grow in light and spiritual stature.***

*Nothing is so great as to see a human grow in the spirit for it has elements of The Divine, and to add these elements to yourself is to advance in the Kingdom—and these elements being spiritual are not lost at physical death...rather they carry on with you directly to the eternal life and count to your credit not only at the Gates of Heaven, but beyond.*

*Know your righteous spirit and unleash it for the benefit of all, for by this you bless and edify all with whom you come in contact, and the influence can save souls and improve the eternal position of those who are already saved.....only good comes with spiritual growth, so look within yourself and draw all that is holy, righteous, and pure out—such that it can be presented in all that you do and in all that you think and feel, and you will be right in the middle of the path back to God.*

*Look inward and manifest this in your earthly life.*

*With generous blessings,*

*Ruach HaKodesh”*
