YOU TOO CAN SUCCEED

“You know how The Lord looks at sin, but do you know how The Lord views sanctity? This is when one is ‘set apart’ for the purposes of God...you could call them tools, hands and feet and mouths of God, vessels, apostles, and saints.

Those are the ones who are fully in God’s Plan and look daily for their instructions in life; some ‘hear’ from God and others are led by God and some commune with God so closely, that they are moved by the intentions of God...for they have allowed God to take them over completely. God loves these with a fervent love and blesses their every step, and He reverences and teaches them so that they can continue to grow closer to Him.

These are the ones who will go directly to Heaven without a diversion to an area of correction for total purification. These are friends of Jesus The Christ, and these are indwelt with The Holy Spirit; these are the holy ones and their prayers are very powerful in the spiritual and physical realms. These are the ones that are blessed in life and in death, and these are the ones who abide in beautiful homes in Heaven...of their own construction. These are the ones who are obedient to God’s Word and who study it diligently and do not excuse the difficult teachings, but embrace and live them. These are the ones who let their spiritual ‘light’ shine for all to see, and who are ready always to tell others of Who brings this wisdom to them. These are the ones with peace and joy—even in the midst of catastrophe all around them...and these are the ones who walk with God.

God is love, and the stronger the connection with God, the more the love is transmitted from Him to the subject; this is just the way it is....God emits love to those who seek Him and to those who are obedient in their love for Him. Knowing this tells you that these who are used by God are in His Love and are showered with it generously—and His Love comes to the human physical realm in many differing forms—some spiritual and some physical.

If you ask one of these for an example of God’s Manifest Love, you will likely hear a story of a surprise in the form of a physical blessing...such as money that just came at the perfect time, a physical healing, the answer to a prayer, the answer to a question, the miraculous escape from danger, and many many more blessings that have no validity in the physical realm but have complete validity in the spiritual. These saints, both of this time frame and in days gone by,

have not necessarily lived long and healthy lives, but the lives that they did live were spiritually spectacular and the miracles abounded.

When God reaches down through the realms great things happen, for God does not acknowledge mediocrity, but He closely communes with righteousness and holiness and purity and fosters the growth in it; and as one welcomes this growth it only gets higher and higher and higher until the step into Heaven is just a small one. God shares Himself with the righteous, and all that He is and all that He gives is good and for the edification of the obedient one. His mercies are new every day as He rains it down on these who love and trust Him; He is the Ultimate Father and He takes care of His own—and they lack for nothing that they need as God carries them in His Hand through the Curse of the world.

Are you a tepid believer or not a believer at all...are you weary of bad things in your life and a path that always seems to end in mishap and loss, are you tired of being exploited by sin and evil, are you ready for blessings and honor? Turn to God and humble yourself to Him and He will lift you up so high that you cannot imagine. Realize that the spirit of unbelief is from Satan for he wants you to fail, so cast it off and enter the spiritual realm and praise and love God with all your heart, mind, soul, and strength.

This key will turn the lock on the gate to the area of success for your life. Take it and start your life over...this time the right way.”
