

EVIL IS ALWAYS ABOUT

“And indeed it will, Satan’s reign is nearly over...he knows it and his minions know it and they are mounting an all-out attack on the human race 24/7. Every possible method of deceit they are using...and every method of communication they are using...and every lie and falsehood they are propagating; and on one hand they extol human life and on the other... they detest it to all humans who will listen to their twisted tales of human dereliction. While they teach people to idolize others and themselves, they also teach that human life has no value—so the resultant outcome in the confused minds of people is one of selfishness, deceit, hatred, contempt, and forming alliances with others who share their sordid cynicism.

Their attacks are severe and utilize both the spiritual and physical realms, and they can inhabit a willing human host. These are the most unfortunate, because most do not even recognize the possession...and they thereby live a perverted life in the shadows doing acts and speaking words that they would not do otherwise. At times, the demons within a person can actually speak through that human—and if not provoked...will sound just as that person would normally.

The possessed are also vulnerable to committing sinful and unlawful acts that are provoked by the demon as well, for the demon inculcated derives adverse pleasure from these acts as well, and glories in the extent of the control that it has over a human subject; for the demon can influence others to sin and open a potential door for possession as well. When a demon sees an open spirit, he has the right to demonize that spirit; and if the human spirit is willing, the demon can possess, and once possessed, extrication is very difficult and requires great countervailing efforts.

Satan rewards demons as their power propagates and as numbers to his kingdom are added, and as one fails due to demon possession and sin and falls into Hell...the demon is free then to return to the Earth and start the process over with other humans—thus these old and experienced demons can take control of an unwitting subject quite easily if that subject has no protection from God and if that subject denies God and His Power.

Many people throughout history were used mightily by demons and powerful people are the same today—and the demons still have the same purpose that they have had since they fell with Satan: to kill, steal, and destroy, and to take souls to Hell for the eternal exploitation and abuse of Satan and all who reign in his kingdom with him.

Satan is one of a kind, and when he fell God did not allow any others to maintain and grow to the stature that he had, and with the knowledge and will that he had; and there were no other Covenants struck with any other Great Spirit, for God saw the failure within it; and there will never be...ever again. Satan has been given nearly free reign to influence those in residence on Earth and so have all the forces of good; and humans have free choice and eternal spirits and they know innately that they are created beings, so the connection to God is always there, but so is the temptation to sin and appease the flesh; and sadly most do not strive to live up to the standards that God has set for His creations. Rather most humans fail to the flesh and fall in weakness to sin, and most do not fathom the importance that God has assigned to them and their existences...such that every thought and action has eternal importance.

This is another ploy of Satan—to influence one to believe that they have no worth, and to deny any redemption of their failed lives; and it all plays directly to Satan’s final goal of complete captivation of as many humans as he can muster. You must know that these influences are always around you and that you are no match for Satan by yourself, but with the help of God you can completely overcome and have eternal glory.

Strive daily to overcome evil.”

(All DRA Version Unless Noted)

Be subject therefore to God, but resist the devil, and he will fly from you. Draw nigh to God, and he will draw nigh to you. Cleanse your hands, ye sinners: and purify your hearts, ye double minded. Be afflicted, and mourn, and weep: let your laughter be turned into mourning, and your joy into sorrow. Be humbled in the sight of the Lord, and he will exalt you. [James 4: 7-10](#)

Be sober and watch: because your adversary the devil, as a roaring lion, goeth about seeking whom he may devour. Whom resist ye, strong in faith: knowing that the same affliction befalls your brethren who are in the world. But the God of all grace, who hath called us into his eternal glory in Christ Jesus, after you have suffered a little, will himself perfect you, and confirm you, and establish you. [1 Peter 5: 8-10](#)

The thief cometh not, but for to steal, and to kill, and to destroy. [John 10: 10](#)

But every man is tempted, when he is drawn away of his own lust, and enticed. Then when lust hath conceived, it bringeth forth sin: and sin, when it is finished, bringeth forth death. [James 1: 14-15](#) KJV

Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ; [2 Corinthians 10:5](#)
