

**WITNESS WHILE YOU CAN**

***“This is good...you have done well. By not focusing on this man’s money but focusing on his soul and the justifications of the Word of God, you have won his confidence and now he will listen and believe what you tell him in the future.***

***There are many people in the world who are very much like him...they are intelligent and are looking for reasons not to believe in the supernatural, for it offends their sense of self and their perceived realities. They fear the unknown, and fear accepting anything that their five senses cannot detect. They also get their self-esteem from looking down on others who accept the supernatural, as emotionally or intellectually deficient, thus elevating them to a point of being a self-god who walks assuredly through life with a knowing that they have some semblance of superiority over others.***

***What they do not know, unless some brave soul points it out to them, is that they are the Emperor with no clothes...and everyone with wisdom sees it but no one will jolt them out of their denial of the true reality of God and Creation. They fail themselves and all others who look to them for wisdom and the ripples of their disbelief and sin goes much further on than they would realize, unless someone takes the scales off their eyes...and this is what you did for this man; and even at 78 years old he now has the opportunity to pursue the Truth...and be saved.***

***Pray that he finds Me and the Truth and embraces and lives the Truth without diversion, for if he does with a true heart, even though he has denied Me for his entire life and has done damage to others by his unbelief, he can still be saved and escape an eternity of torment. If he does pursue Me and love and learn, he will gain Heaven and you will have another friend in Heaven forever who will love you and esteem you for the help that you gave without thought of recompense. This would be the greatest gift that you could give he, or anyone else...salvation and a life eternal of bliss and love.***

***You have done well and by your commitment to the Truth and by your love for this man’s soul, you have achieved materials for the expansion of your home in Heaven and they are being delivered now...and you know who is accepting them and planning the use for them.***

*He is very happy and he loves you very much and he waits patiently for your arrival, for he will have much love to share and stories to tell that will occupy much of your communion together.*

*I will see that these materials are used appropriately given probable future events, and the need for varied types of dwelling places for you and those who love you and whom you love. Your basic plan is set and now you work on expansion to other realms, and for others in those other realms who will want to commune with you. You are now building 'shared quarters', that will be utilized by any and all that you wish to meet and enjoy, and any that you wish to counsel and for anyone that you would want counsel from.*

*In building in the higher realms, you will have access to some of history's great and righteous beings and they will have great love for you and great counsel in your constant pursuit of perfect love...and The Father. You do yourself well and others who rely on you—for Truth benefits all, and Truth leads to wisdom and love—and in turn leads to God and His Heavenly Abode.*

*Keep giving wisdom and love, and you will see miracles as God smiles down on you and those who you love.*

*Blessings and honor are yours."*

*Ruach HaKodesh*
