

THE HUMAN MACHINE

“For all who truly want to seek God and His Plan for salvation...your salvation, first you must open your heart to the Truth; a truth beyond your normal realm of understanding...a truth that you may not be familiar with...a truth that the modern day conscience does not realize...a truth that has been the same for millions of years.

Meditate on this, then open your heart and mind and read the Word of The Lord; read it critically and read it such that it is the most important printed material on Earth, read it as it were a love letter from a relative from the past who loves you so much that He has left a clear path to follow, so that you can find your way back to Him and His Love for all eternity. After reading, take this wisdom and apply it to your life and live it, for it is the true and correct reality and it is the instruction booklet that comes with every human produced by God...and to not follow the instructions carefully, may render the warranty void.

You as a human cannot live without the influence and guidance of the Word, for outside God’s instruction you are subject to your own interpretations of reality and conduct, and you will be strongly influenced by evil if you are not following the clear guidance from your Creator in your warranty manual. The human being is like a very complex machine with precise provisions for life, and to be outside the strict instructions from the warranty book, (the Word) the machine will malfunction, break down, operate erratically, and not serve the functions that it was created to serve, e.g. God and man.

For the chronically deficient human...all you need to do is to look at the life outside the instruction book and you will see clear reasons for all malfunctions (unless the being is in the service of penance) and all errors can be corrected by simply going back to the manual and beginning to follow correct procedures of operation. Now most machines can be programmed to run concurrently with the warranty manual, leaving little up to the operator for error; but in the case of the human machine...there is will, and will can change the operating environment at any time—and even though the will has been programmed from birth as to how to function properly, there are influences that affect the proper functioning of the will and if followed will lead to serious malfunctions and failure.

Following the instruction book precisely will extend the operating life of the human machine to eternity and that with The Creator of the machine Who is always there to love and edify so

that the 'machine being' continues to function perfectly and in complete harmony with all the other beings that properly chose to follow The Creator's instruction book.

Look at the airplane...it has a very complete and relatively complex instruction and operations book, and all who work on it know that if they make one mistake or overlook one critical servicing area, that the results could be catastrophic and the loss of life could be tremendous. Then look at the human...it also has a very complex instruction book and the resultant failure from not properly following it is far worse; for if the human fails and dies out of the Mercy of God, it is an eternal mistake with eternal consequences. This is the greatest failure that can possibly occur on the Earth for the human machine is not finite, and the most complex components of the human machine were designed and manufactured to last forever...and they do...either in the presence of God, or not.

Make sure that you read the instruction book, for you should be the most important machine in the house and your eternity matters, both to you and your Creator.

Live with care, in peace."

Ruach HaKodesh

–John Patmos

And you shall call upon me, and you shall go: and you shall pray to me, and I will hear you. **You shall seek me, and shall find me: when you shall seek me with all your heart.** And I will be found by you, saith the Lord: [Jeremiah 29: 13-14](#)

Jesus saith to him: I am the way, **and the truth**, and the life. No man cometh to the Father, but by me. [John 14:6](#)

In the beginning was the Word, and **the Word was with God**, and **the Word was God**. The same was in the beginning with God. All things were made by him: and without him was made nothing that was made. **In him was life, and the life was the light of men.** And the light shineth in darkness, and the darkness did not comprehend it. [John 1: 1-5](#)

But continue thou in those things which thou hast learned, and which have been committed to thee: knowing of whom thou hast learned them; And because from thy infancy thou hast known **the holy scriptures**, which **can instruct thee to salvation**, by the faith which is in Christ Jesus. [2 Timothy 3: 14-15](#)
