

JUDGMENT IS ARRIVING

"You will see that when I begin to move the powers of the Earth that countries will rise and countries will fall, and the ones that rise will not necessarily be the ones that are in My Mercy, for all countries that do not follow My Word must be chastised. You will see in My Word where I have used the evil nations to bring My chosen ones back to Me, and this will occur again only with a last-day's fury as has never been known before; for this is the last rooting out of evil on the Earth—then there will be no more....no more evil, no more Satan, no more curse, and no more crying of the Saints.

The Earth will shed the curse and a new time will enter, and many will have a last chance for salvation during the Millennium, but only the few that I choose. All the rest will have their fate sealed and their destinations determined. Be watchful therefore...and be not slothful in your righteousness, holiness, and purity; for then your time in these last days will be blessed and your end will come with mercy.

All must die in the time directly ahead, and to be without salvation will be a terrible thing for that terror will be magnified even in death; but the Saint...the child of God, will have angels actively watching over them in their time of trials and interceding for them in their trouble...and even to death. I would like to tell you stories of peace and love and happy mutual coexistence while on the Earth, but those days were ended when the first willful sin occurred; and since that time there have only been short periods when man lived in peace and harmony with one another, and even while this was happening evil still flourished. So the only time of true peace and harmony will be for those who attain Heaven and they will be blessed greatly.

So hold on to your faith and learn all that you can about your God and understand how He wants you to live and serve, for the closer that you can get to Him in your days while on the Earth, the higher your opportunity to be with Him in your eternal future. I will be with you if you are a follower of Mine, throughout the entire Time of Tribulation; and while you will be terrified at the acts of God and man, you will be protected under My Wing and I will give you comfort even to the time of your death. Then...if righteous, holy, and pure...you will be whisked away to your place of your eternal future where you will be sad no more and the curse will fade behind you like a storm passing in the night.

All these things must come to pass, for the Earth and its inhabitants have grown evil and no longer revere and serve their Creator, and I can have no more of it. My creations now must be redeemed or turned over to their own evil realms that they desire, for I will have none with Me who do not wish to be with Me in their heart and exhibited by their actions. The free choice that I gave to man is a great gift and also a great responsibility and it is not to be taken lightly. Every thought and every action that you do, comes from your will; and you can allow it or deny it as you choose...minute by minute, you weave the fabric of

your life...then finally the quilt that fully expressed who you are and what you have done with your life. God looks at this 'life quilt' and judges you as your choices have formed your life, and it... not excuses, stands before God in your final judgment; and God being Perfect must judge fairly by every decision that you have made.

It is a terrible thing to stand in the judgment of God, for He created you and He gave you the capabilities to succeed, and your failure therefore is entirely your doing and you will be responsible. This is where the Earth as an aggregate stands today—the fabric has been woven and the quilt is nearly done, and it waves in the wind mocking God and in offense to His Eyes and He will now roll the quilt up and set it aside for judgment. This short period ahead will be the last great opportunity for all on Earth...in this Earth's time to choose their destination...whether it be in Paradise or pain.

Choose wisely My children."
