

**OF PLANTS AND TREES AND ANIMALS**

***“Yes, everything has order in all universes, for in God there is no chaos. All have their part to play in the Perfect Plan of God and it is all for good.***

***Have you ever wondered as you look out over a broad expanse of land, exactly what function all of it plays in the plan of nature? Have you wondered why man is the top of the creation outline on Earth, and have you wondered about the capacities of all else? Yes indeed, man was created to be the top of the ‘Creation Pyramid’ on Earth and all else functions to edify and support the top, for the top cannot be inverted to support the base.***

***Man has a custodial responsibility to all the rest, but life sources send their ‘flow’ from where they are, up the pyramid to the top. There are many diversions to this flow, but it was not as such prior to the sin of man; now evil can and will interrupt that flow at all stages of it and this is considered waste and loss and this grieves The Father, for it did not have to be.***

***Man by his fall, truly fell from the top of the pyramid by his own doing, and perverted all who relied on him and trusted him for their care and custody. Now all are open to the whim of Satan, evil, sin, disease, death, destruction, abuse, perversion, manipulation, and the list goes on and on. Think of it...all the creations in the sea exist as a community to support one another, then man takes from that pool to support he and his life. Animals are the same, they are a community who exist to support one another...then man takes from the field to support he and his life.***

***Animals truly are ‘sacrifices that man might live’ and plants and trees are also the same. Trees produce the very elements of the air that man breathes, yet are always there to support other communities and even to provide energy and warmth to man. Plants grow and die, yet like trees they continue to propagate the community in the production of seeds of reproduction; and plants perform many functions all the way from pleasing the eye of man, to feeding him with their fruit.***

***All of this was in a perfect balance during the time of the Garden of Eden, and nothing died and nothing was wasted and no weeds or other elements of destruction existed...the ‘Pyramid of Life’ engaged the perfect circle of sustenance for all living creations and all was good and God smiled on it continuously. As I have said before, God created man as an ‘elevated’ creature who could choose, man was not a ‘sacrifice that He may live’; rather man was a ‘creation that He may love’ and man given the ability to choose, gave God freely the highest form of love, and this pleased God greatly.***

***Then man fell through sin and God was forced to break the perfect pyramid and inject cursed creations so that man could be redeemed from his fallen state by his own repentance and penance. If God had***

*not done this, all humans would have been doomed from that point on, and God would have just terminated all existence of man on the Earth. He chose rather to give man a path back to Him and a roadmap in the form of His Word, to guide man on their journey; and in this roadmap all the hazards are noted and explained and solutions suggested. Man has all he needs to restore the 'Pyramid of Life' while on Earth (on an individual basis) in order to please God. In the 'Lord's Prayer' He admonishes that Earth should be as Heaven is—yet by the efforts, prayers, and intercession by man in order to overcome the Curse.*

*As man does this, he goes through the process of redemption and moves forward on the path back to God. However sin is always present, and man must always be diligent to stay away from evil and sin for it corrupts man's efforts to return to God and could bring the full weight of the Curse back down on him.*

*Take your place in creation and support all who were created to serve you, and serve The One Who created you. This is success, and this is peace."*

***Ruach HaKodesh***

—John Patmos

(All DRA Version Unless Noted)

---

And the evening and morning were the fifth day. And God said: Let the earth bring forth the living creature in its kind, cattle and creeping things, and beasts of the earth, according to their kinds. And it was so done. And God made the beasts of the earth according to their kinds, and cattle, and every thing that creepeth on the earth after its kind. And God saw that it was good. And he said: **Let us make man to our image and likeness: and let him have dominion over the fishes of the sea, and the fowls of the air, and the beasts, and the whole earth, and every creeping creature that moveth upon the earth.**

Genesis 1: 23-26

And the Lord God made for Adam and his wife, **garments of skins, and clothed them**. And he said: Behold Adam is **become as one of us, knowing** good and **evil**: now, therefore, lest perhaps he put forth his hand, and take also of the tree of life, and eat, and live for ever. And the Lord God sent him **out** of the paradise of pleasure, to till the earth from which he was taken. Genesis 3: 21-23

**Consider the lilies**, how they grow: they labour not, neither do they spin. But I say to you, **not even Solomon in all his glory was clothed like one of these**. Luke 12: 27

Thus therefore shall you pray: **Our Father** who art in heaven, hallowed be thy name. Thy kingdom come. **Thy will be done on earth as it is in heaven**. Give us this day our supersubstantial bread. And forgive us our debts, as we also forgive our debtors. And lead us not into temptation. But deliver us from evil. Amen. Matthew 6: 9-13

A voice of one crying in the desert: Prepare ye the way of the Lord, make straight his paths. John was in the desert baptizing, and preaching the baptism of **penance, unto remission of sins**. And there went out to him all the country of Judea, and all they of Jerusalem, and were baptized by him in the river of Jordan, confessing their sins. Mark 1: 3-5
