“You saw Mr. Horn speak of his visions on the internet and you identified with him as you have these as well. You knew by the way that he presented himself and by the sincerity of his spirit, that he told the truth.

During his talk you heard him mention that he only had these visions at 2:00 a.m. and he sent the question out to all listeners inviting anyone who had an explanation for this to contact him and let him know just why this is. In deference to a fellow ‘hearer and seer’ you invoked The Holy Spirit for an answer to his question and I gave you one; and now I will give this lesson to all who have ears to hear, for The Lord again speaks Truth to all who can discern it.

All gifts from God come in different forms and quantities, and each has a structure of its own tailored to the recipient. This God determines when He gives the gift, yet reserves the option to change the structure depending on whether the giftee is diligent in the use of the gift; or on the other hand if the giftee fails to acknowledge it or uses it for evil. In the latter, God will remove the gift completely and it will serve to damn the soul who misappropriated it.

In the case of Mr. Horn, he was given the gift of seeing, and with this gift he is also allowed to hear relative to the visions. His gift has significant structure to it due to numerous factors which will stay unnamed for the purpose of this letter, but the sum of all elements add to visions that are only prompted at certain times. This is common amongst hearers and seers and this gift can be appropriated once a day, a week, a month, a year, a decade, or a lifetime as is the case with the ‘near death’ seers. It is a rare gift where God allows it to be invoked usually, regularly, and frequently as is the case with the one holding the pen here, and this is a great blessing for the edification of all people.

Mr. Horn is greatly blessed for even though his gift has a limiting structure, he is allowed to hear great things of warning for mankind similar to that of the Prophets of Old, and he will hear again as you plunge into the end-times events.

Other gifts have varied structure as well such as the gift of healing, and many times in order to be effective requires a strong faith on the part of the one being healed. All healers are not the same, some heal by faith, and some heal by faith and a strong invocation of The Trinity; then there are others who heal by the Power of Jesus The Christ, and some heal through the power of the Holy Mother; there are other Saints as well who now reside in Heaven who are allowed to intercede in healings as well, and they all prompt the Spirit of Fire to come down from heavenly realms to descend upon the one in need of healing. Intercession is more effective than human faith, although neither should be minimized.

Another gift is that of wisdom and another knowledge and another grace and another teaching and another humility and another service and another kindness and compassion and another faith and another unadulterated faith...and the list goes on. God created the shell in which all humans live and gifted them all such that they may live out their purpose in His Plan; and those who live in the Spirit see all their gifts and develop them, yet those who sell out to sin are at loss. God wishes for everyone to live out their gifts and to be a mighty part of His Plan, for then the obedient one lives a successful life while in the 'test of Earth' and earns a great position in the Realms of Heaven. This is the reason for gifts, to serve and edify one another and for the salvation of many through the expression of the gift of one.

Care must be greatly exercised however in the recognition and use of a gift, for if one has a gift as most do, and fails to use it, that one will be held liable for not only their own failure, but for all those who failed because of not being exposed to the gift of the giver. This can require great penance, so all beware and be aware of the gifts from God, and use them mightily for the salvation of souls and for the edification of man and God.

Serve The Lord your God with your entire heart, soul, mind, and strength...and learn your gifts."
