

LOVE AND YOU

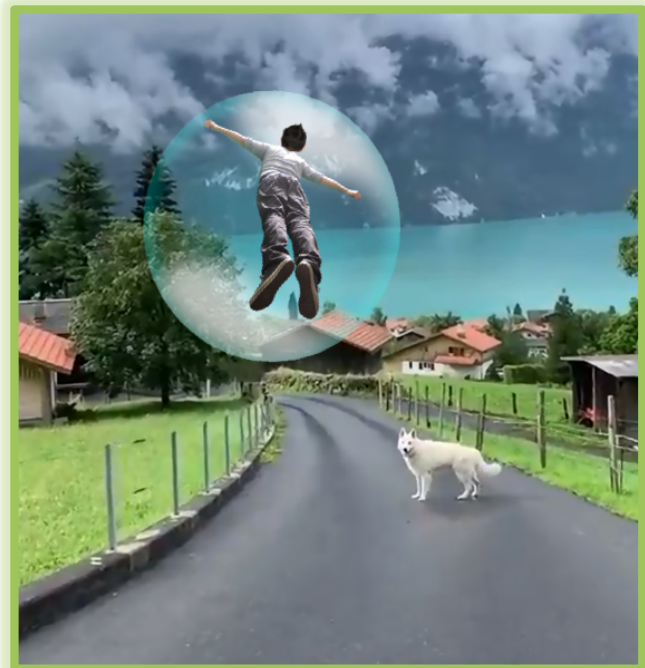

“As I referenced yesterday, Love is a Being, and The Father wishes that all His creatures live within this Being as a normal component of their human and eternal lives. Surely all live in love in the heavenly realms, but few truly live ‘within’ love while in the earthly realm; but this is to the human’s deficit, for had they lived within love while on Earth, they would have been rewarded with a direct translation to wonderful realms of Heaven rather than having to be ‘retrained’ in the elements of ‘Perfect Love’.

God is Love, and all who go to Heaven must be love also, they cannot have burdens of sin or failings uncured by penance, expiation, and complete forgiveness. Being ‘In Love’ helps one cure the episodes of self and sin that one neglectfully enters into while on Earth; and love in its purest form helps one restore purity which is also necessary in order to stay in Heaven. A human cannot attain perfect love by themselves, and a human with the exception of the Holy Mother cannot attain perfect purity either; but anything can be accomplished with the help of The Father, The Creator of All.

Firstly, love must be desired...love must be recognized as the highest form of human existence and the human must passionately want to be in love...not only with their families or their friends or all other creations of God, one must passionately desire to be in love with God—The One Who gave them life and The One Who promises eternal life. This desire then must be turned to action as God will not force anyone to love Him, they must come to Him in humility and sincerity. This action then is the process of putting God above all, and so seriously wanting close communion with God that one submits to the ‘rebirth process’. This process starts with one studying God’s Word to understand His wishes, then submitting to them all without objection; then the one must give themselves completely to God through love and rest in His Presence. As one rests in the Presence of God, one goes through a process similar to a child in the mother’s womb; and one develops a little here and a little there until a fully developed child of love emerges without spot or blemish.

Then the communion with God is enhanced in a great way, and then the one walks in love and in the Truth of God’s Word. This walk is more than a life style... it is life...and there is no greater life for any creature on Earth. As one walks in love one grows in love, and The Holy Spirit comes greatly into one’s life to counsel and guide and the result is an even higher level of wisdom and closeness to God. The path from there for the obedient leads to great reward and intimate communion with The Trinity.

God is Love, and the more a creation can grow higher in love, the more like God that creation will be. The one who follows this path will be led to ‘spiritual stairs’, and as one climbs those stairs throughout

their human life, one will move closer and closer to The Father, and upon death will climb just a very few more to reach the Gates of Heaven. The spirit of love leads to all that is good and keeps one from harm while in the Curse of the world; for one who lives in love, will fly above the Curse...will fly above evil...will fly above human weakness...will fly above the cares and concerns of the world—and one who flies in love, will be in the Will and Perfect Plan of The Father.

God is a rich rewarder of these special ones who dedicate themselves to 'live in love'; and for those who have eyes to see, they will know them as soon as they appear, for they carry with them mighty power in The Spirit and Truth and they have great wisdom, yet possess great strength in humility...they are the 'walking redeemed' and they will see God.

Love, it is the highest and the most important commandment, yes...commandment of The Creator; recognize it...then dedicate yourself to the life in it.

Fill yourself with the knowledge of love."

Jesus answered, and said to him: Amen, amen I say to thee, **unless a man be born again**, he **cannot** see the kingdom of God. Nicodemus saith to him: How can a man be born when he is old? can he enter a second time into his mother's womb, and be born again? Jesus answered: Amen, amen I say to thee, **unless a man be born again of water and the Holy Ghost**, he **cannot enter** into the kingdom of God. That which is born of the flesh, is flesh; and **that which is born of the Spirit, is spirit**. Wonder not, that I said to thee, you must be born again. **The Spirit** breatheth where he will; and thou hearest his voice, but thou knowest not whence he cometh, and whither he goeth: **so is every one that is born of the Spirit**. [John 3: 3-8](#)

That he might present it to himself a glorious church, **not having spot or wrinkle**, or any; such thing; but that it should be **holy**, and **without blemish**. [Ephesians 5: 27](#)

Beloved, let us love one another: for love is of God; and every one that loveth is born of God, and knoweth God. He that loveth **not** knoweth **not** God; for **God is love**. [1 John 4: 7-8 KJV](#)

I say then, **walk in the spirit**, and you shall not fulfil the lusts of the flesh. [Galatians 5: 16](#)

But without faith it is impossible to please **God**. For he that cometh to God, must believe that he is, and **is a rewarder to them that seek him**. [Hebrews 11: 6](#)

What is written in the law? how readest thou? And he answering said, Thou shalt **love the Lord thy God with all thy heart**, and with all **thy soul**, and with all **thy strength**, and with all **thy mind**; and **thy neighbour as thyself**. And he said unto him, thou hast answered right: **this do, and thou shalt live**. [Luke 10: 26](#)
