

READ ALL MY LETTERS

“For all My prophets, seers, hearers, visionaries, led, blessed, and wise....there are certain things that I expect of you in addition to all that I send to you through your gifts; I want you to know the Whole Truth without errant translation or opinion, just My Truth as it is spelled out in My Word, the words of My prophets, all who I lift the veil for and all who come to this website.

I have been giving the enlightened Truth through this My vessel for some time now; and through these simple Letters of Mine I have spelled out exactly what I expect and what you humans are to expect given your lives on Earth, and your ways that will translate to the forever realms. There is no Jew, no Protestant, no Catholic, no Muslim, no Hindu, nor any other in My Eyes, who has more truth than another; for I judge all by their hearts and how obedient they are to Me and My Word. However, all must know what is in store for them and exactly what I expect.

I want no one to be in the dark as to My expectations and demands of My creations and any who could have gained this knowledge, yet willfully avoided it, they will be held responsible for their willful ignorance. This is not insignificant as you will learn as you read all My Letters here. These things that I say are all true and they will all come to pass, and all who know My Will and are in My Will will be blessed as I have outlined in the body of all these Letters.

These Letters are not the only text that I have brought through My vessel...there is another; and it will be known all throughout the world as a guideline, a warning, and a mandate for all you who are now in the last few years of Earth's existence. All humans in the world are to read this other text which describes the choices that they must make very soon in order not to spend eternity in perdition and other realms of pain and suffering. My Word is My Word and It cannot, nor It will not be compromised or 'modernized'. It stands as It always has since I formed the Earth.

You will see this book by My Hand come to the world markets soon, and It will be followed by these Letters that you now have access to on the internet. I will however turn off this access at some point in the near future and all will be left with these Letters in book form, for I want them in a permanent record form to be studied and lived in the difficult times ahead. Read and study

these Letters now, so that you will know your part in My Plan and so that you can relay the Full Truth to a world full of people who have been led so far astray that they no longer would know Truth if it walked right up and spoke to them.

The devil has blinded the eyes of most and the spirit realm is no longer acknowledged as existing. My people have gone dark and frivolous and lack wisdom necessary to pursue salvation, much less the Full Truth; so I must intervene and I have written these texts as augmentations to My Word, so that modern day man will learn more quickly as the realities surrounding them are explained in terms that anyone can understand. A correct interpretation of My Word illustrates that I accept nothing less than perfection, and I expect all My creations to reach out to Me as they struggle for this goal...this is how they prove their love to Me and this is how I judge the worthy.

Make no mistake—I will accept no luke-warm, I will accept no willful sinner, I will accept no slothful believer, I will accept none who consider themselves entitled to anything other than a life's chance to gain the glories of Heaven; and I will accept no pride. Most who read this are failing eternally—dedicate your time to reading these Letters from the first to the last and you will know how you will be redeemed.

Failure is a terrible thing...study to be approved."
