

DO YOU WANT ANSWERS?

“As you see the breakdown of societies by those who have a convoluted and an irresponsible view of ‘freedom’, you wonder...how did you and your fellow members of society allow it to get this far and how can a complete generation of human beings become so confused and accepting of all that previously has been considered to be harmful and sin?

How can their view of physical reality become so reliant on the fallible knowledge and actions of mere human beings? How can these ignore the great evils in all areas of the world and think that as long as they ‘do no harm’, that all will be assimilated together in peace? Do they not see the great plans behind the curtain that moves constantly to the goal of the eternal enslavement of all mankind?

No they do not see this at all, because they have been fed a steady diet of godless thought that has no basis in spiritual fact. This thought is advanced by those who do not acknowledge The Creator nor any of the teachings of God’s Vessels who lived on Earth and imparted God’s wisdom to the masses. In fact, these ‘self-ordained’ carriers of ‘wisdom’ subvert any attempt by those who might believe in God from pursuing His Truth. They are ministers of Satan and carry his word to the masses as ‘modern truth’ and as a necessity for modern life.

For those unsuspecting ignorants who ignore history, these will be the carriers of Satan’s disease throughout mankind, to mankind’s ultimate demise; and these, through an espousal of a belief in ‘tolerance’, will carry with them many who are not properly connected to the spiritual.

To live an idyllic life in a society of grace and perfection, one has to look no further than the Bible when it describes Heaven. This is the perfect society; and all who live there live in peace and love while obeying and emulating all the teachings of The Creator/Father. There is no violence, there is no dissention, and there is no pain and exploitation, all who exist there exist within the grace and mercy of The Father. So to have an earthly society that exists in perfect peace, one must duplicate that which exists in Heaven and the first step in accepting this principle, is in the acceptance that The Father exists.

Beyond the five senses is a sixth and it is called ‘spiritual touch’ and all humans have this sense, and it is where God will be realized. Far beyond the physical are uncountable realms of the spirit, and they are just as real as the physical. God created them just as He created the physical, and you are a part of them since God made you a three-part being...soul, spirit, and body...the body being the weakest link in the being.

After the body wears out and terminates, you still will be spirit and soul; and these are constructed with ‘eternal elements’ and you will never die...you will be somewhere and that somewhere depends upon your acceptance of God as your originator and the acceptance of a reality based on that principle. To deny God places the eternal being in very serious jeopardy, for then you are isolating

your being from God and He is the One Who created all the ‘afterlife realms’ and you will be assigned to these realms after you shed the physical—it is absolute and inevitable. You have location even without a body, and thus you must be located somewhere. Those who please God and who have worked to convince others of this Truth, will indeed be rewarded with a ‘Realm of God’ in the eternal; however those who have mocked and worked against the great Plan of The Creator will be naturally isolated to a realm consistent with what they believed, and became to be while on Earth. It is only fair and logical.

God gives all the wisdom necessary for these spiritual decisions to be made in favor of Truth, and to deny all the promptings of The Holy Spirit ultimately ends with The Holy Spirit moving permanently out of the being of disobedience. This is the unforgiveable sin, and this damns a being without any hope of redemption. Look about you, and look deeply beyond what you see all the way to the origins of all that is physical...all the way out to the spiritual, this is where you will find the Truth. Living the Truth puts you in perfect harmony with God and all that He has made.

Rise in the spiritual, and realize Truth.”

Expound to us the parable of the cockle of the field. Who made answer and said to them: He that soweth the good seed, is the Son of man. And the field, is the world.
