

**YOUR GREATNESS**

***“What do you think about dying? Do you think that it is the final end to your existence, and do you think that once your eyes close for the last time that you will see no more? Do you think that your feelings die simply because the physical body stops functioning? Do you think that you just drop into the realm of great nothingness where there is no more thought and actions? Do you not recognize the divine and extraordinary coalescence of your entire being and that it’s complexities surely point to a higher form of life?”***

***The ‘New World Order’ people would have you believe that you are simply an expendable piece of human flesh that can be terminated at any time given the whims of the power structure. With knowledge, you will quickly see that this mentality is straight from the devil’s playbook as he plans to enslave as many humans as he can by his lies and deceit.***

***Satan is a liar and he has been from the beginning of his demise and he wants nothing but to have as many as possible under his feet, in his kingdom of pain and suffering. Hell is real, and it is far beyond the most horrific imaginations of any being; no one has truly captured the extent of the horrors that now exist in his realm....and this realm is eternal.***

***You must understand that his demons stand next to you always, but just a realm away. They see you...they analyze you...they know your action patterns...and they can predict your plans. They constantly study you so that they can seduce, confuse, and capture you, then organize your death such that you die in sin and outside the Mercy of God. This is the fulfillment of Satan’s perfect plan and if you succumb, your permanent and eternal home is in the place of your worst imaginations....and you will eternally cry out for mitigation and you will have none; for all good is expelled from Hell and your words are not heard by The Trinity nor by anyone else other than the poor wretched and tortured souls therein, and the demons and creations of Satan who are there to administer torment for their lurid pleasure, then of course Satan as well, and his presence is a supreme terror all on its own.***

***This is the future directly ahead for those who deny God and who mock Him with willful sin unrepentant. This is the final destination for haters of God, deniers of The Holy Spirit, mockers of Jesus The Christ and those who willfully choose ignorance over enlightenment. This is an eternal reality that you must understand and adopt to your own personal reality, for in denying it you choose to condemn yourself.***

***God is far above your understanding and His greatness far exceeds any poor human’s powers of comprehension; yet He is Perfect Love. He is your Father Who art in Heaven, and He knows all, sees all, is in all, (except that which is evil) and created all. If you cannot grasp this concept, invoke The Holy Spirit to give your mind wisdom, and understanding; for in the process of learning Who your Father is, (and this is an eternal process) you will begin to see the Truth, and as the Word says, the Truth will set you free...free to learn and understand more of The Father, more about you, more about all creations on***

*Earth and without all universes, free to rise in the spirit and please The Father so that you can have a hope of eternal salvation and an eternal presence in Heaven with all others who have attained righteousness, holiness, and purity...free to live in love and in the service of God.*

*This is the Plan of God and this is where He intends for you to be, and to be as any other is a complete waste of your existence and a complete failure of your place in the Grand Plan of God for which He created you. I have said many times you can save or condemn yourself by your every choice that forms your life, and the first step in saving yourself is the realization that you are a very special being with great potential, not one controlled by others or by organizations—only by God.*

*As you begin to see this eternal wisdom, reach out to God and commune with Him and The Holy Spirit and Jesus The Christ and study His Word, and you will be amazed at the miracles that you begin to see in your life and how your life changes for the better. Realize your greatness through the Hands of the Creator...and live.*

*Head these words and make your changes now, for the time draws neigh for the cleansing of the Earth.”*
