

HOPE FOR ALL

“Now you will hear a message of hope. My children, I have given you much knowledge and information throughout all these Letters, so much that you now see clearly the future of Earth and all inhabitants within it and the realms surrounding it.

I give you peace in the midst of it however, for you who read, believe, and act in accordance with My Laws, you will be saved and you have the assurance of complete salvation, not the vague shadows of failure and confusion. I have laid out this simple plan and the path that you need to follow; now you must just be completely obedient and pursue that which your Lord has professed.

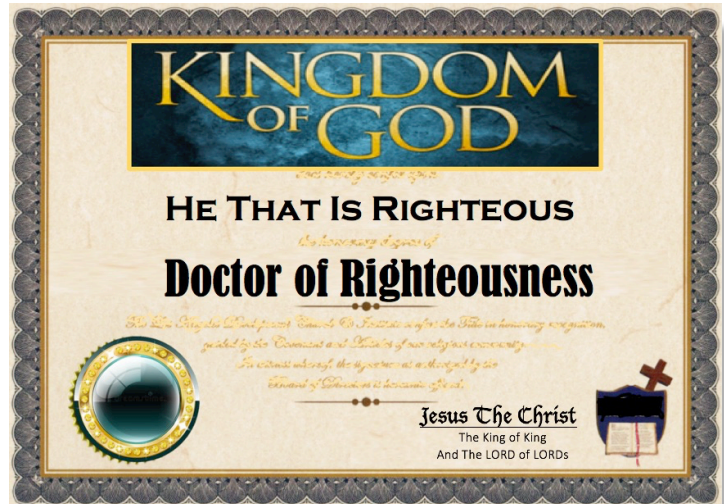

Can success be defined in spiritual terms? Yes it can, as you follow the directives of your Lord and Master. Few have this

security in knowing that their future will be filled with love, peace, wonderment, and all that is good...forever and ever, but you do; and all that you need to do is to study and obey. This means that you give up the weakness that plagues you as the sin of the world pulls you down from your spiritual heights. This means the rejection of all sin in your life and the very thought of it. This means the submission to The Trinity and to the Plan of God for you and all Creation. This means complete success and a physical and spiritual security that you thought was not otherwise accomplishable.

As you view a dedicated student work his way through the schools of higher learning and watch that student learn the basics, then progress to the Masters level, then move through the level of Doctors, then dedicate themselves to a life of service with their wisdom gained through learning; so shall you do the same as you read and understand all the Letters that I have given you—and further, study My Words that I have given the Prophets and Apostles of old, and all others who have been blessed as Vessels of Mine; and you will gain such a place in the Plan of God that you will be admired and heralded by the Saints as you go about the work of your Creator.

This is God's Plan for you and this is what you were created for. All you must do is to accept this truth for your life, then dedicate yourself to the learning necessary to accomplish the goal...which has always been righteousness, holiness, and purity. Your eternal success lays like a gift at your doorstep. Go find it, open it, and allow its wisdom to move you to the Realm of Perfection where The Father is.

It all awaits your soon arrival, for Earth is about to expire in a very violent way; and the course of it will be short, yet merciful for the righteous. You must be in this group, for there are no good

outcomes outside the Mercy of God, and for all who try the 'path of their own creation' they will join the realms of pain and failure.

As a worldly human, you may be struggling with these spiritual realities, and indeed they are your realities—so I will remind you again, you have six senses and the sixth is called 'spiritual touch', and it is through this sense that you will realize what I have just spoken. Join your spiritual touch by lifting your heart to The Lord and ask His intercession in the effective use of it and you will be blessed; and with this blessing you will see your sixth sense grow stronger and stronger as you go forward and you will see many things that have eluded you 'behind the veil', and you will gain knowledge that you have only dreamed of...and the things and relationships that you leave behind as you rise in wisdom and truth, will be those that have burdened you and retarded your growth that ultimately leads to 'eternity in excellence'.

Bring yourself to this point, choose to follow a new path....one that will renew your spirit and give you new-found power from the Power Center of Love; and you will be eternally grateful that you did.

Rise up My children, and be counted amongst the righteous, for all else is of evil. My blessings flow to those who are dutiful.

Grace be with you."
