

**AN ILLUMINATION OF REVELATION**

As you study the 'Book of Revelation' or 'Apocalypse', as it is called in the Douay-Rheims Bible, you will gain a clearer understanding of some of the more difficult areas and terms, if you refer to this Letter **dictated by The Holy Spirit**.

**Chapter 1:4** - Who are the Seven Spirits.....***"There are many Great Spirits, these are some of the most prominent. Their names are in a recent Letter that I have given you."***

**Chapter 1:14** - Who is the described being.....***"Jesus"***

**Chapter 2:17** ***"You will only have one name in Heaven, and it will last forever. Those who view you will know from whence you came, so they may refer to this; but for a specific identification, you will bear only one name...the name that God appoints."***

**Chapter 2:28** - Who is the Morning Star..... ***"It is a special angel to watch over them, those who did not commit fornication and did not accept the teachings of Jezebel."***

**Chapter 3:1** - the Seven Stars..... ***"Angels."***

**Chapter 3:9** - fall prostrate at your feet..... ***"I cloaked them with holiness, that was clear to all; even the wayward Jews recognized and adored this holiness."***

**Chapter 3:10** - the time of trial to come..... ***"They have been blessed throughout the ages, those who remain true to My Word. This is an example for all who read this scripture, it is encouragement, and it is Truth."***

**Chapter 3:12** - New Jerusalem and New Earth.....***"A place of status for those who are faithful; it is a crowning glory as a reward for obedience."***

**Chapter 3:14** - Laodicea.....***"This is your church of today, who feels sufficient in today and in their poor knowledge of the Truth. They surround themselves with the gods of the world, and not the God of all...thus much penance is due; and their hearts will be rent in order to be brought back to My fold. These are those whom the Calamity will bless, for they will be allowed to do severe penance more readily. Pity those who do not see God's true intent through***

*the Calamity, for many like them will be lost. Amen."*

**Chapter 3:17** *"Sufficiency in oneself is what Lucifer experienced. This is why The Lord condemns it as idolatry. For all that you are, you owe to your Creator; for you are simply a pile of contrived elements, without the blessing and the Breath of God. This is Truth that all humans must know to be acceptable to The Father."*

**Chapter 3:21** - sit on My throne .....*"As I sit on My throne, so shall you be with Me...for those who are 'in Me'— in the flesh, and then in glory."*

**Chapter 4:4** - 24 Ancients.....*"Their names must stay in Heaven, but they represent the Tribes of God...prophets and kings."*

**Chapter 4:6** - sea of glass..... *"An adorning...just like all the rest of the adorning in Heaven. These all chosen by The Trinity during the initial period of Creation. The elements are very rare and are given locality only in other places of high honor and in recognition for God-like qualities. These may look like material things on Earth, but they are very different.....they live."*

**Chapter 4:7** - living creatures..... *"They are created beings who serve God directly. They are 'the Watchful' and they speak the language of God. These are very active in the current battle in Heaven and they are some of the early Creation, well before man."*

**Chapter 4:10** *"This throne of God is a throne of mankind. God has many thrones, representing all of His creations; yet one throne....high above all in His Kingdom, where all those like He reside. This is not to be confused with the White Throne of Judgment which does not reside in His Perfect Kingdom; it rather is in the Halls of Justice where the Great Spirit of Justice resides. You who attain Heaven, will enjoy immensely your tours of the Great Thrones of God. There are many. Such is the case with your Master and your Savior, Jesus The Christ, for He is the King of Kings and the Lord of Lords. Be mindful that humans are only one of multitudes of the minor creations, and God is diligent in His attentions to all. You will learn about this in the various realms of Heaven."*

**Chapter 5** *"This is the end of the New Covenant and all will know it."*

**Chapter 6** - the Seals.....*"These are literal, and they are directly ahead. Pray for the righteous, that they should escape these times."*

**Chapter 7** – the 144,000.....*“They are truly members of the Tribes of Israel and they are being sealed for battle in the realms in and around the Earth, this is the last battle for the salvation of souls of those left on the Earth. The spirits of these 144,000 will battle mightily against the forces of evil and many will be saved. Then comes the final battle when Jesus The Christ purifies the Earth and extricates all evil ones to their realms of Hell. These who are sealed are friends of Jesus The Christ and they honor Him as the Son of God. This is a portion of their redemption, for they and their tribes...for those in their generations who denied the deity of the Son of God. It is dutiful penance that God in His Mercy has allowed them to perform. Some will even be soldier spirits with Christ, as He comes for the final redemption of the Earth. Let not your eyes be dimmed by your lack of understanding of the Realms of God and the complexities of the afterlife.”*

**Chapter 7:9** – great multitude.....Will the books go to all the world, and save many in the future? *“The books will go all over the world in every tongue. They will be an instrument in the hands of My vessels, My soldiers, and My workers. At this point in Earth’s history, there will be no doubting the Full Truth of God.”*

**Chapter 8** *“You may divide My Word at chapter 8, between the time of the ‘Calamity’ and ‘full Tribulation’. This silence in Heaven was struck because of the awe and terror of the judgments to come, the fierceness of which could not be comprehended. This age will pass with great violence before The Son of Man returns to redeem the Earth. Pay heed to what the Prophet John saw as the trumpets blew; for this will surely come to pass.”*

**Chapter 9** *“As I have mentioned, this will be a time when the realms converge...that is the spiritual realms around the Earth and the physical realm of the Earth, and the war will be fierce. So when you read this portion of My Word, bear in mind that some will be manifest, (in the physical) and some will be manifest in the spiritual realms.”*

Are the locusts physical? *“As I have said before, as the battle rises, it will be much more difficult to keep the activity in the realms separate from one another.”*

**Chapter 10** - Is it time to release what the seven thunders said, or will it stay unknown? *“My Prophets will use this knowledge in the very last days to bring the final remnant to Me. The Prophet says that the book is very bitter....it speaks of the end of the Earth. This is the book of ‘SEVEN THUNDERS’ that has not been revealed yet.”*

**Chapter 11** *“This chapter speaks of the time of redemption on Earth, when many will be saved.”*

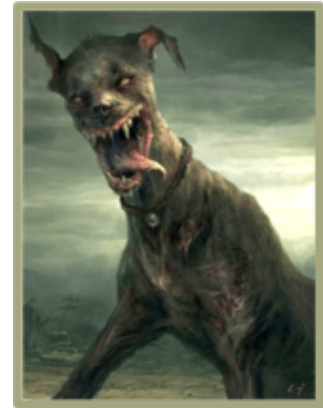

**Chapter 12** *“This comes to pass now, as the war rages in Heaven. When the woman reemerges, she will crush the head of the Serpent.”*

What are some of the logistics of the war?

*“Satan can’t destroy eternal elements in the angels, but he tries to defeat them; and The Lord sends His angels back at them...over, and over, and over, and over, and over, and over, and over again continuously; and He continues to attack. Neither can Satan’s angels have their eternal elements destroyed; but God knows their weak points because He created them, and after many attacks they weaken and become defeated—yet, God will not allow any of His angels to be defeated, for He continues to raise them up.*

*As Satan’s angels are defeated, they can then be tossed out of the realm of Heaven forever; it is a Covenant issue. One by one they are being tossed down to the realms of Earth and the realms of Hell, when soon there will only be one left—The Great Dragon himself; and he then will be defeated and cast out of the heavenly realms forever. He will then know his permanent demise—he will then be as a rabid dog on Earth infecting all that he can, and killing them with his evil. He will know his ultimate defeat, and so he will steal every soul that he can, before Jesus comes and casts him and all of his followers to Hell.*

*This all happens soon...and the battle goes well. Nearly one-half of Satan’s angels have been displaced. Be ready and be alert as evil rises and be diligent in your preparation, for soon The Father’s fist lands squarely on the Earth. Be ready.”*

Has there been a war in Heaven since the advent of the New Covenant?

*“Satan made a grand play for the control of Heaven and the defeat of God.”*

**Chapter 13** *“Speaks of the antiChrist, and the False Prophet—and it is written literally, and is to be taken literally. Those who take the ‘Mark of the Beast’ will have their names immediately blotted out of the Book of Life.”*

**Chapter 14** *“These are the same 144,000 who were fully redeemed and made pure by their acceptance of Jesus The Christ as the Savior of the world. These will be known as ‘The Pure’, and will sit in the Throne Room of God. These will not be the Brides of Christ, for their salvation came from their intercession in these last days’ events; and they were not defiled by their contact with the Earth and its curse in the last days.”*

**Chapter 14:8** *“Babylon speaks to the great whore of money, and those who have worshipped it rather than God. This speaks to all in the world who fell under its trance, and became seduced by the gods of self, pleasure, luxury, lust, and all that which adores evil. At this point...it falls. There is great bloodshed in chapter 14—for then the sides are chosen and the harvest is taken. Those who take the ‘Mark’, are amongst the harvest and they will suffer torment eternally.”*

The Mark of the Beast

**Chapter 16** *“This is the last purging of souls on the Earth, to ensure that there are none left who may be saved through repentance and penance.”*

**Chapter 17** *“This chapter illustrates how the world’s power structure changes as it goes through the years of Tribulation. The ‘city’ will be the one where the antiChrist is seated.”*

**Chapter 18** *“The name of the ‘city’ shall remain silent, until the antiChrist is revealed.”*

**Chapter 19** *“This is the end of evil upon the Earth.”*

**Chapter 20** *“The dead are those who are dead to Christ, not those in Heaven, nor those who died in the Mercy of God. These dead will be counted at the Great White Throne Judgment, and dealt with in accordance with the Laws of God. The Millennium will be inhabited by many more than just the Tribulation Saints; this will be a place for all that I choose, to give the opportunity for completion of their righteousness, and there will be millions. How you ask, can those who have a complete knowledge of the Truth become seduced by, and follow Satan at the end of the Millennium? The answer is this: Even though time is changed, human nature will not, and the error of man will continue until they are fully glorified.”*

How will Satan come to those in the Millennium?

*“He will come as a thief, and will change the hearts and minds of those willing...and he will use all the ploys he uses now; to the great dismay of the loving Christ, and all those who have worked to sanctify those who live during that time. There will be great sorrow, but when the battle ends, so will all Covenants with Satan forever and he will be no more. He will be no more an influence on any of God’s creatures, outside the realms of Hell.”*

Why is Satan loosed again?

***“The Covenant must carry on to its rightful end.”***

***Chapter 21 “The Bride of Christ shall live in the New Jerusalem, and it will be an abode of Christ. He will also be throughout all Heaven, to commune with all who are worthy. The New Earth will be a place of visitation and residence of many who were previously on Earth. But this will not be mandatory, for there are many residences in Heaven. The Bride of Christ also will be free to move about the heavenly realms, but will always avail themselves to Christ upon His call; and as such their primary residence will be the New Jerusalem and there will be people of many races and tongues there and many from God’s chosen people. This will be a very holy and special place amongst all of the heavenly realms.”***

***Chapter 22 “This last chapter certifies the authenticity and the prophecy of the book. It shall not be changed or altered, yet I may illuminate it for a more complete understanding in these last days, for the purpose of saving a few more souls.***

***Praise God, for His Mercy endureth forever.”***
