

HELL QUESTIONS

“You have questions about Hell. I will answer them now. Hell is a real place and has been for a very long time. As is stated in My Word, it was originally designed as a place of punishment for Satan and his angels; now it is much more because of the progression of sin and evil in intensity and frequency.

Satan has drawn a cloak of the ‘culture of darkness’ over the Earth, and all on Earth have been affected to some degree by it and it only grows worse and more repugnant to God. Many have accepted Satan’s ways as the normal for their lives and sin is now broadly accepted amongst My creations, and they do not care enough about their Father to research His Laws and His instructions for their lives; thus many have fallen and many more will fall to Satan’s lies and to his place of punishment and pain.

Hell now is a place of permanent incarceration for all those who chose to deny God and for those who lived their time of testing on Earth in willful sin, and the place in Hell that they will occupy will be and has been, determined by Satan himself. There are no credits for ‘good behavior’ in Satan’s realm, he has the power and is free to place any spirit in any area that he chooses, and all are extremely offensive to the human body, soul, and spirit and their torment rises forever and ever. This place has been constructed in accordance with the Covenants and they will not change even after the Millennium and expiration of the Earth; for Hell is in a different realm and will be locked forever for all egress and ingress.

The ‘Lake of Fire’ is just another term for Hell, and it is a place that exists now in the realm of Hell...and the fire will never be quenched. Satan and his demons and all the others that he has called to be around him, will be affected by the smells, sights, sounds, and feelings in Hell; but due to his more elevated being, he will not experience the depths of the torment that humans do, for humans are minor creations and much more subject to the forces of creation and will never advance out of this position; for unlike Heaven there is no growth in Hell.

The demons in Hell are the angels that fell with Satan originally, yet he has others who attend him as well and most are his botched attempts at creation as he had taken components of that which God has made and attempted to adapt them to be like him. However, there is nothing perfect about Satan, and thus his creations have turned out to be horrific brutes for the most part; and these will be the tools of torture for most in Hell as will be some of the demons. All these ‘beings’ will be isolated to Hell forever in the future, but now many roam the realms of Earth and effect and influence as many as are open to corruption.

In the Covenant, God left open some pathways to a few of the heavenly realms to Satan and his minions, however these are being closed now and Satan and his followers are being forcibly relocated to the realms of Hell and Earth. When the Earth's time expires, they will only be allowed to be in the realms of Hell, except for a short time in the last part of the Millennium, when they will be allowed access to Earth for the last battle for the human soul. After this, they will be locked to Hell and all will forget their existence other than the Holy and Great Spirits; and the memory will be locked in the Libraries of Heaven forever, only accessible on request and approval from The Father.

Will God ever destroy Hell, and release those poor humans and others who have fallen prisoner to this terrible place? There is no thought of this in the Eternal Mind of The Father and thus Hell is what it is, and will be what it will be.

Do demons still inhabit humans after they die and leave the Earth? No, for there is no need for inhabitation in Hell, for the spirit and soul are trapped and at the will of all evil.

Was Hell ever in the bowels of the Earth? No, it has always been in separate realms, separated from all earthly realms, but Satan was given access by the Covenant. Hell itself is made of elements that are common to Earth, but all this is set in a realm that is set apart from that which you see is Earth. His demons have always been in and around the Earth ever since the Fall, but when sin entered by the original sin, they were allowed much more freedom of location.

Will those in the Millennium know of Hell? Yes, for they will carry much of the past in their minds as they are reallocated to this new time.

Do any die in Hell, and are any consumed by the fire? None with eternal elements, for these cannot be destroyed.”

My question: Why do people who give legitimate testimonies of Hell, seem to ‘know’ that Hell is in the center of the Earth?

“Because of the natural and simplistic assumption that Hell actually could be there, because of the similarities and environment. The core of the Earth is hot, and that is well-known to man, and it seems natural that if Hell existed, that it would be there; but such dynamic forces as the devil and those who follow him, could not be restrained in a physical environment in the direct realm of Earth—it had to be separate to control the passage of these spirit beings. This is how God has always separated creations from one another to ensure that their habitation is appropriate; as is the case with Satan, a great spirit, he needed great complex walls to control his movement and Hell has these great walls and many are in the gates of Hell themselves. Satan now has the keys to the gates to Hell, but it will not always be as such; and the walls around Hell are fixed and cannot be breached by any creation, and it will remain this way forever. Only the Gate will open and close, and only for as long as The Father allows.

The human mind does not perceive ‘realms’ well, and has not been taught the extreme diversity of the realms that exist; thus it is quite natural for the human mind to place Hell in their own realm, but it certainly cannot be so. I do not correct those who say that Hell is in the Earth, for there is no eternal damage in this teaching; and for many...even gives aid to their view of Hell as a real place, and not a fictitious area that may be perceived as just floating through space somewhere.

The reality of Hell is critical to salvation now in these end times, yet the specific location of Hell is not. So accept all that properly instruct My children in their righteous walk, and do not condemn any for minor imperfections in their testimony.

Please children, know that Hell is real; and live such that you will never be threatened by it.

Live in love.”

Thou hast defiled thy sanctuaries by the multitude of thy iniquities, and by the iniquity of thy traffic: **therefore I will bring forth a fire from the midst of thee, to devour thee**, and I will make thee as ashes upon the earth in the sight of all that see thee.
