

BE WITH ME

“When the Earth is just a memory, where will you be? You will be somewhere, because your spirit and soul live on after the body dies...they are eternal. You will still think, feel, communicate, smell, see, hear, and you will have a knowing of all that is about you. For eternity, where will you be?”

Can you not see that a person of wisdom will spend an inordinate amount of their time contemplating, and planning for this life continuum? What you are living now is simply a brief stay, in preparation for your permanent place in the Universe. What could be more important to you...tomorrow’s tasks, your home, your finances, your civic duties, your family...what? You and your loved ones need to know to focus on this, as there is nothing that exists, that is of more immediate importance to you.

Should you say, I will not worry, for God will take care of all the details? Could you say, that there is nothing eternal, and thus not give it a thought? Could you say, that it does not matter, because it is beyond your control? Nothing could be further from the truth.

You, and the choices that you make—every second of every day, frame your eternal future. Yes, it is entirely up to you. If you study God’s Word, you will know this. He gives you the laws, the love, and the inspiration; but He also gives you free will...it is a part of you, and thus your exercise thereof will put you on a path to glory, or damnation.

He does not make it easy for you, in a worldly sense; because you must deny the world in order to gain spiritual strength, and you must deny your flesh in order not to sin; but once this transition is made, all is easy, because He is love and goodness...and to follow Him gives perfect peace.

Start with the small decisions and choices, and be obedient to God’s Word; then when you are rising up, move on to the controlling areas of your life, and give them to God as well. You will see that a beautiful transition takes place over time, and that transition moves you right into a wonderful eternity, that is fulfilling beyond the wildest imaginations.

Love yourself, and do this now; for nothing else will lead you to eternal love, peace, happiness, and fulfillment.

Be brave My child, and live the Truth.

And I saw a new heaven and a new earth: for **the first heaven and the first earth were passed away**; and there was no more sea. [Revelation 21:1](#)

And he said to them all, If any man will come after me, **let him deny himself**, and take up his cross daily, and follow me. [Luke 9:23](#)

But as it is written, **Eye hath not seen, nor ear heard**, neither have entered into the heart of man, the things which God hath prepared for them that love him. [1 Corinthians 2:9](#)
