

HOPE

“Why do you grieve when you think about the end of Earth, the beginning of the Millennium, and the attention of Heaven by those who have been found worthy? It is all good for those who love their Lord and keep His commandments, it is the beginning of all that is good and the eradication of sin and the Curse, and it truly is a time of mercy...for without this mercy, many more would go to Hell for all eternity. But for those who recognize the terrible events that are now, and will continue to take place, these will begin to fear God and learn to turn to Him for the Truth that leads to salvation.

Without this severe ‘love’, most who will be saved would live out their physical lives on Earth in willful or ignorant sin, then be plunged to Hell or severe correction. The Lord knows that humans have reached the end of their period of grace and they are being swung to the ways of the devil, as the world grows increasingly evil and the Truth veiled more and more. The time to move is now, and The Lord is beginning His phase of enlightenment by pain and suffering for the benefit of all who live now on the Earth.

This is the beginning of correction such as it is in the Realms of Correction, and all must be brought to righteousness, holiness, and purity; for without this no one enters the Kingdom of Heaven. So take heart all who now dwell on Earth, for your time of salvation is now and I have given you the clear and simple instructions for attaining it. So all that you need to do is to read My Word in all of its forms and contexts, understand It, and live It, and you will be saved.

What can be more simple and straightforward in a roadmap, that leads to eternal bliss, love, and wonderment? Who in their right mind would not choose this way to the greatest gift ever offered to man? I tell you the truth, no man in all creation has been given an opportunity so great, with so little participation in order to attain it. You are truly blessed in a very great way and all you must do is be obedient to your Father-Creator.

This is why I have chosen to augment My historical Word with the ‘Letters of Messages’ to all mankind, so that My intentions and Truths would no longer be confused and misunderstood; these Letters are so simple that a child can understand them and the direction that they point to on the path of life, is unmistakable and clear to all who read them. Take them into your heart and mind and live them, and you will have great peace in knowing that your eternal destination is clear and secure. Then take this knowledge and share it with others, for as you do, you build your home in Heaven and thus you will have a personal dwelling for all time for you and your loved ones and you will be fulfilled.

Live My Words, eat the Eucharist, and grow in your spirit such that nothing else holds you, but God through His eternal Love; and you will grow to be the great spirit that you have always imagined to be. You as a mere human, can accomplish things that are only dreamed about, and you will see miracles about you continuously.

This all comes with a life that is completely dedicated to The Trinity and all Its teachings. You must know this and you must live this, for the time of testing on Earth is truly your opportunity to show your Father that you choose Him and not the world and sin—that you choose to spend eternity with Him and love and edify Him forever.

You see, this is your way forward; and this is the only way that you can self-determine your eternal future.....yes you can, for you have the promises of God—and they are never broken.

Live in love, and in the promises of your Father.

Attain it.”
