

MORE THAN YOU KNOW...NOW

“Do you see that man is being more respectful and sensitive to the needs of others in this season of diversity and acceptance? Do you see man becoming more responsible as a custodian and steward of the Earth and its resources? Do you see man equalizing their view of others, both spiritually and materially? Do you see man caring for one another more directly and regularly? Do you see governments formed for the ruling of more and more of man’s life? Do the common public opinions support these world changes, and do most look upon these changes as being positive and beneficial to man? Did the Apostles of old not try a communal style of living for many of their followers, and did this not fail?”

Yes, all the above is true, and the people of the world are looking to others to create an environment for them whereby their decisions are few, and their lives then appear to be more free and enjoyable. This change assumes that all have the mass aggregate welfare in mind and intent, and that there is free flow of honest information and respect for the human and human condition.

Upon these assumptions the naive rest in their quest for equality. There are two major problems with this mindset...firstly man without righteousness is inclined to selfishness and evil, and secondly the world is under a Curse that allows the propagation of evil in every corner of the world, and without the honoring and acceptance of the Laws of God man exploits man in ways that mirror the animal kingdom and denies the ultimate spiritual authority of God and the existence of the spirit in man. This of course also leads to a denial of the eternal and thus only caters to the here and now (for man is now the god of all rulings and actions).

Without the righteous acceptance and governance by God’s holy authority, man degrades to vulgar impurity, and this is the ‘end’ of the aforementioned thought. Even those who most rabidly express this view and who press for its acceptance will be the most disappointed with its outcomes; for they will be left behind in the social order in favor of those who strategically manipulate on the inside with others of similar interest and their ideas will not be considered, because they are disruptive to the control structure.

Control is the absolute highest goal for these ‘egalitarians’, though they publically espouse freedom; and this control comes with great cost to the individual human and this is fully acceptable to the ones in control as long as they experience none of the costs.

God respects and loves on an individual basis, and while He has favored groups in the past, these groups have always been acknowledged to be people forming the group and not groups

forming the people. Power from the top directed absolutely downward, is only fair when the top is righteous, holy, and pure; and without this state, the degree of corruption is passed down to all with impunity and the society becomes as corrupt as its leaders. This is why the successful societies in the world throughout history were formed and governed by laws that put the individual first, and allowed rights of freedom to the maximum allowable without infringing on the freedoms of others.

Individual versus groups...these are intricate concepts that God designed provisions for in all His Laws and Covenants; and one person cannot be damned to perdition because of the group's sins. Eternal destinations and final judgment rests on each individual for every moment of their lives and for every thought and action; and for that individual to be held responsible for this, that individual must be allowed to exercise their own freedom of thought and action. It cannot be imposed by a control figure to the eternal detriment of the individual soul.

This is why, in the state that the world is in now, that God cannot allow the continuance of the corruption of His innocent ones by corruption in power centers; and He is acting now to terminate all life on the planet and this plan will be completed within the few years remaining on the Earth's eternal calendar. Earth going forward, will have no more times of peace without major disruptions of the normal flow of life. These disturbances will grow stronger and stronger until all evil is terminated and all life with it. The wise will turn back to their Creator and repent and do penance...and the unwilling will perish to an eternity of pain and suffering.

Do you all reading this hear what The Lord is saying.....there will be no more peace because of the poor choices of man and the acceptance of evil and the denying of the sovereignty of God. Again, there will be no more peace; and you all will view the horror of the Hand of God falling on an evil and disobedient planet that you affectionately call Earth. Deny this even though your own eyes view it and you will fall, accept the Truth and turn to God and you will be saved.

Watch now My dear children and you will see the Words of your Father-Creator come to pass.

Open your heart to the Truth and be saved."

Ten minutes later.....

"It is finished. I say this with great disappointment. You cannot fathom the degree of sadness and woe in all the Realms of Heaven. The tears flow like rivers, in seeing what God has for man...directly ahead. The saints lie with their heads covered and cry to The Lord for mercy, yet they feel the tears falling on their coverings from the very One to whom they pray. All are forlorn and all weep, but this must be.

It is the end of an era of love with the man creature, and the end of a concept that God calls 'complete love in complete freedom'. Sadness falls on all eternity, and all are brought down. Woe to the Earth, and woe to man. Amen"

Knowing this first, **that in the last days there shall come deceitful scoffers, walking after their own lusts**, Saying: Where is his promise or his coming? for since the time that the fathers slept, all things continue as they were from the beginning of the creation. **For this they are wilfully ignorant** of, that the heavens were before, and the earth out of water, and through water, consisting by the word of God. Know also this, that, **in the last days, shall come** dangerous times.
