

**STAY IN FAITH**

***“You are well within the Will and Plan of The Lord when you witness to those who show to you an element of faith and belief. For one to espouse a belief in something spiritual in the modern era for Earth...that one is looked upon as being weak and gullible; however, when the Truth is exposed, that one is truly a pinnacle of strength in their character and in their spirit. The Lord looks to these to spread His Word in these last days for the Earth. These will also be blessed mightily while on Earth and certainly in the afterlife.***

***Faithful witnesses all throughout history have been extolled by God, but many have been vilified by those who have succumbed to the Curse and by the fallen; but if you could look through the great veil between your realm and the heavenlies, you would see the most glorious peace and happiness that you could possibly imagine expressed by these martyrs in faith to The Lord. If you could hear their praise given constantly to God, you would know that every minute of suffering that they experienced while on Earth was rewarded by gifts from The Father that far exceeded any pain that they endured.***

***Each would tell you to always be faithful to The Trinity, the Holy Mother, and to oneself in all that pertains to the spiritual; and even grow stronger in adversity—for as one rises up, one becomes more useful to God in His Plan that has been about for many, many years; and to be in God’s Plan is exactly where you were created to be and you will see this if you are faithful.***

***As the Plan carries on you will see many disturbing scenes on Earth, and you will see much suffering and death directly ahead of you with little time excluded from tumultuous events, whether man caused or by the Hand of God; and this time is of critical importance to the servants of God, for their witness soon will be accepted as Truth and many will be saved from eternal damnation. This time will be one where God’s servants must grow in the spirit and become immovable witnesses for the Truth and this time is the one that you read so much about in the book you call ‘Revelation’. Study this book My loyal ones, and understand the sequences...for you will live through them to the degree that The Lord ordains, then you will be taken home.***

***Give all that you can the benefit of your knowledge and all the love that you can muster from your heart, (the one that will be gravely saddened by the coming events) but give freely of your love, for in doing this you will be carried through these Times of Trouble. ‘The Great Cleansing’ and ‘The Great Deceit’ are now beginning to war with one another, and you will see this manifest in your physical realm; but do not succumb to your fear nor to any force of evil, stand strong and know that this will be the last time while on Earth that you will be asked to endure hardship, and this also will be your last opportunity to bless The Lord with your good works for the benefit of His Kingdom...and this will bless you forever.***

***Carry on in good faith My loyal children, no matter what you see and no matter what you hear; for The Lord’s Plan will go forth without interruption, then the wonderful Son of God will come to redeem all who***

*are worthy. Do not give up one item of blessing and do not compromise one minute of your time in fulfillment of God's Plan; for you are a very valuable Vessel through which God can work to save as many as will be saved in the few years left of the Earth and the human experiment.*

*Courage My children...your redemption draws neigh.*

*Love,*

*Ruach HaKodesh"*
